The Road Jack London, 2024-10-24 The Road by Jack London is a memoir recounting his experiences as a hobo during the 1890s economic depression in the United States The book provides a vivid and often gritty depiction of life on the road where London traveled across the country by sneaking onto trains begging for food and navigating the dangers of a transient lifestyle It offers a unique perspective on poverty survival and the human condition during a time of economic hardship In summary The Road is not just a memoir of London's time as a vagabond it's a social commentary on the lives of the homeless the marginalized and the forgotten during a time of economic struggle It's a blend of adventure and harsh realism reflecting London's own personal growth and his broader critiques of society's treatment of the poor *The Road* Jack London, 1907

There is a woman in the state of Nevada to whom I once lied continuously consistently and shamelessly for the matter of a couple of hours I don't want to apologize to her Far be it from me But I do want to explain Unfortunately I do not know her name much less her present address If her eyes should chance upon these lines I hope she will write to me It was in Reno Nevada in the summer of 1892 Also it was fair time and the town was filled with petty crooks and tin horns to say nothing of a vast and hungry horde of hoboes It was the hungry hoboes that made the town a hungry town They battered the back doors of the homes of the citizens until the back doors became unresponsive A hard town for scoffings was what the hoboes called it at that time I know that I missed many a meal in spite of the fact that I could throw my feet with the next one when it came to slamming a gate for a poke out or a set down or hitting for a light piece on the street Why I was so hard put in that town one day that I gave the porter the slip and invaded the private car of some itinerant millionaire **Jack** Jack London, 2020-07-10 The Road is an autobiographical memoir by Jack London first published in 1907 It is London's account of his experiences as a hobo in the 1890s during the worst economic depression the United States had experienced up to that time He describes his experiences hopping freight trains holding down a train when the crew is trying to throw him off begging for food and money and making up extraordinary stories to fool the police He also tells of the thirty days that he spent in the Erie County Penitentiary which he described as a place of unprintable horrors after being pinched arrested for vagrancy In addition he recounts his time with Kelley's Army which he joined up with in Wyoming and remained with until its dissolution at the Mississippi River The Road Jack JACK LONDON, 2020-07-05 JACK LONDON *The Road (Illustrated)*

Lost Face Jack London, 2020-05-27 It was the end Subienkow had travelled a long trail of bitterness and horror homing like a dove for the capitals of Europe and here farther away than ever in Russian America the trail ceased He sat in the snow arms tied behind him waiting the torture He stared curiously before him at a huge Cossack prone in the snow moaning in his pain The men had finished handling the giant and turned him over to the women That they exceeded the fiendishness of the men the man s cries attested Subienkow looked on and shuddered He was not afraid to die He had carried his life too long in his hands on that weary trail from Warsaw to Nulato to shudder at mere dying But he objected to the torture It offended his soul And this offence in turn was not due to the mere pain he must endure but to the sorry spectacle the pain would make of him He knew that he would pray and beg and entreat even as Big Ivan and the others that had gone before This would not be nice To pass out bravely and cleanly with a smile and a jest ah that would have been the way But to lose control to have his soul upset by the pangs of the flesh to screech and gibber like an ape to become the veriest beast ah that was what was so terrible
