Vampire Iscariot A Secret Guardians Novel:

The Rest Falls Away: Victoria Gardella Vampire Slayer Colleen Gleason, 2014-09-15 Gleason's publishing debut turns vampire stories and romances on their ear. Detroit Free Press. Buffy meets Jane Austen. The Book Standard. Beneath the glitter of dazzling nineteenth century London Society lurks a bloodthirsty evil. Vampires have always lived among them quietly attacking unsuspecting debutantes and dandified lords as well as hackney drivers and Bond Street milliners. If not for the vampire slayers of the Gardella family these immortal creatures would have long ago taken control of the world. In every generation a Gardella is called to accept the family legacy and this time Victoria Gardella Grantworth is chosen on the eve of her debut to carry the stake. But as she moves between the crush of ballrooms and dangerous moonlit streets Victoria's heart is torn between London's most eligible bachelor the Marquess of Rockley and her dark dangerous duty. And when she comes face to face with the most powerful vampire in history Victoria must ultimately make a choice between duty and love. The award winning New York Times bestselling author Colleen Gleason's International Bestselling Gardella Vampire Hunter Series. Sophisticated sexy surprising. J. R. Ward. Colleen Gleason's irresistible series is deliciously dark and delightfully entertaining. Chicago Tribune. This is a five book series about Victoria Gardella Vampire Hunter. The series should be read in order to avoid spoilers. The series is The Rest Falls Away Rises the Night The Bleeding Dusk When Twilight Burns As Shadows Fade. All five books are now available. _____ Praise for The Gardella Vampire Hunters Series. The undead rise to great heights through Gleason's phenomenal storytelling. She creates a chilling world with the perfect atmosphere of fear and sexual tension. Romantic Times. Gleason keeps upping the ante with each novel weaving the characters around her readers with each engaging conversation and narrative every stage set of all the appropriate gothic gloom and melting beauty. Book Fetish. Above all the writing is what recommends this book most. Gleason's writing is sharp and taut which makes for excellent action sequences and a plot that travels quickly from the start. The writing strength alone gives me ample reassurance that this potentially plot heavy series is in the right hands. I'm definitely looking forward to the next installment.
