Reading the Vegetarian Vampire Sophie Dungan, 2022-11-30 This Pivot traces the rise of the so-called vegetarian vampire in popular culture and contemporary vampire fiction while also exploring how the shift in the diet of some vampires from human to animal or synthetic blood responds to a growing ecological awareness that is rapidly reshaping our understanding of relations with other species. The book introduces the trope of the vegetarian vampire as well as important critical contexts for its discussion: the Anthropocene, food studies, and the modern practice, politics, and ideologies of vegetarianism. Drawing on references to recent historical contexts and developments in the genre, more broadly, the book investigates the vegetarian vampire's relationship to other, more violent and monstrous forms of the vampire in popular twenty-first-century horror cinema and television. Texts discussed include *Interview with the Vampire*, *Buffy the Vampire Slayer*, *Twilight*, *The Vampire Diaries*, and *True Blood*. *Reading the Vegetarian Vampire* examines a new aspect of contemporary interest in considering vampire fiction.
