With Strings Attached A Story:

With Strings Attached Frank Haggerty, 2015 **Red Strings Attached** Lainey Schmidt, 2020-03-10 Red Strings Attached is a fictional story inspired by real relationships When fact meets fiction it makes for an epic love story you can't put down Nellie is 24 years old and sets out to create a fresh start for herself by returning to college to make a career change and start a more professional path Her expectations of this new stage in life takes a sharp turn in a different direction when she meets both of her Red String loves in a span of two years Just in time to fall deeply in love with the man her heart and body are drawn to before she meets the one that is best for her mind and soul Love is blind love is blissful and love is brutal The task of juggling her new career and greatest loves pushes her to choose fight or flight while trying to make life changing decisions **Emotional Structure, Creating the Story Beneath the Plot** Peter Dunne, 2007 The leap from concept to final draft is great and the task is filled with hard work and horrors It is here that most writers struggle to get the plot right at the expense of the story's real power The result is a script that is logical in every way yet unmoving Emotional Structure by Emmy and Peabody Award winning producer writer and teacher Peter Dunne is for these times when the plot fits nicely into place like pieces in a puzzle yet an elemental terribly important something remains missing The missing piece won't be found by adding action you can't stir the soul with a car chase And the problem won't be helped by a change of location the only location that matters is deep in your protagonist The solution is to pay constant attention to the inseparable nature of plot development and emotional development When you create any scene whether it's a police pursuit on the interstate or a heart to heart in the kitchen the emotional reasoning behind the scene has to be evident When you develop the emotional current that sustains the action you create a scene with heart and soul and you and your viewers are going to feel the passion
