IMPORTANT NOTICE

This manual is a guide only. It is not intended to be used as a service manual. Yamaha Corporation has been advised that their service procedures reference to the industry, and more specifically Yamaha Products, are already known and understood by the user, and have therefore not been included.

WARNING: Failure to follow appropriate service and safety procedures when servicing this product may result in personal injury, discomfort or exposure to hazardous materials. Yamaha Corporation is not responsible for any damage or injury caused by the use of this product. For these reasons, we advise all Yamaha product owners that any service required should be performed by an authorized Yamaha Dealer or the approved service representative.

IMPORTANT: The presentation or sale of this manual to any individual or firm does not constitute authority, nor constitute an endorsement of any applicable technical capabilities, or establish a privileged relationship of any kind.

The data provided is believed to be accurate and applicable to the model(s) indicated on the cover. The accuracy, reliability, and serviceability of Yamaha products are constantly improving. As long as Yamaha products, modifications and accessories, improvements and specifications are subject to change without notice or obligation to provide. Should any discrepancy appear to exist, please consult the distributor's Service Department.

WARNING: Static electricity can damage electronic components. Discharge any static electricity your body may have accumulated by grounding yourself to the ground pins on the back of the unit (battery pack) before you work on the unit.

IMPORTANT: Turn the unit OFF during disassembly and part replacement. Recheck all work before you apply power to the unit.
