The Third Kingdom Terry Goodkind, 2013-08-20 Terry Goodkind returns to the lives of Richard Rahl and Kahlan Amnell in The Third Kingdom the direct sequel to his 1 New York Times bestseller The Omen Machine Richard saw the point of a sword blade sticking out from between the man's shoulder blades He spun back toward Richard after throwing the woman out the opening ready to attack It seemed impossible but the man looked unaffected by the blade that had impaled him through the chest It was then in the weak light from the fire pit off to the side that Richard got his first good look at the killer Three knives were buried up to their brass cross guards in the man's chest Only the handles were showing Richard saw too the broken end of a sword blade jutting out from the center of the man's chest The point of that same blade stuck out from the man's back Richard recognized the knife handles All three were the style carried by the men of the First File He looked from those blades that should have killed the big man up into his face That was when he realized the true horror of the situation and the reason for the unbearable stench of death At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied
