The Truth War Fighting For Certainty In An Age Of Deception:

The Truth War John F. MacArthur, 2008-12-28 Right now truth is under attack and much is at stake Perhaps no one in America is more passionate than John MacArthur about exposing those who are mounting this attack especially those bringing the assault right into the church There is no middle ground no safe zone for the uncommitted in this war The battle for truth is raging and this book reveals The pitfalls of postmodern thinking Why the Emerging Church Movement is inherently flawed Past skirmishes in the Truth War and their effect on the Church The importance of truth and certainty in a postmodern society How to identify and address the errors and false teachings smuggled into churches The postmodern age is the age of no truth an age that has reached a point of deadly fatigue when it comes to facing the truth a generation that no longer believes truth can be known Dr John MacArthur knows better and he is armed with the courage to confront this age with a bold defense of truth His argument is compelling his defense of truth is brilliant and his concern for the church is evident on every page The evangelical church desperately needs this book and it arrives just in time R Albert Mohler Jr President The Southern Baptist Theological Seminary The Truth War John MacArthur, 2007 The Truth War Study Guide John F. MacArthur, 2007-05-06 Right now Truth is under attack and much is at stake Christians are caught in the crossfire of alternative Christian histories emerging faulty texts and a cultural push to eliminate absolute Truth altogether As a result many churches and Christians have been deceived Worse still they propagate the deception that poses itself as Truth In The Truth War Study Guide John MacArthur reclaims the unwavering certainty of God's Truth and anchors Christians in the eternal immovable promises that are found in His Word For those struggling with contemporary society's apparent willingness to redefine truth The Truth War Study Guide Empowers Christians to claim the certainties that God promises Critical evaluation of postmodern trends Teaches Christians how to identify and address the errors and false teachings smuggled into their churches For small group discussion or individual study *You're Not As Crazy As I Think* Randal Rauser, 2012-01-06 Randal Rauser helps us learn how to truly dialog with those who have very differing opinions from us those we so often marginalize *A Pentecostal Political Theology for American Renewal* Steven M. Studebaker, 2016-10-26 This book argues that Christians have a stake in the sustainability and success of core cultural values of the West in general and America in particular Steven M Studebaker considers Western and American decline from a theological and specifically Pentecostal perspective The volume proposes and develops a Pentecostal political theology that can be used to address and reframe Christian political identity in the United States Studebaker asserts that American Christians are currently not properly engaged in preventing America's decline or halting the shifts in its core values The problem he suggests is that American Christianity not only gives little thought to the state of the nation beyond a handful of moral issues like abortion but its popular political theologies lead Christians to think of themselves more as aliens than as citizens This book posits that the proposed Pentecostal political theology would help American Christians view themselves as citizens and better recognize

their stake in the renewal of their nation The foundation of this proposed political theology is a pneumatological narrative of renewal a biblical narrative of the Spirit that begins with creation proceeds through Incarnation and Pentecost and culminates in the new creation and everlasting kingdom of God This narrative provides the foundation for a political theology that speaks to the issues of Christian political identity and encourages Christian political participation **Crossroads**

2000 years ago the crucifier of the truth asked Jesus What is truth John 18 38 Such questions are fundamental to human life and make up the field of epistemology It reminds us that there is a human being between us and God Epistemology has been a hot topic in Christian theology because of how our postmodern culture has questioned the very foundations of knowledge and truth It is also an important part of a systematic theology as it is helpful to understand how we know what is true before deciding what is true This is why Calvin began his Institutes discussing the knowledge of our self before the knowledge of God Thomas Oden has said No study of God is complete without dealing with the limits and resources of human reasoning in God s presence While many modern Christian philosophers are neglecting the God given place of human reason in the process of divine revelation we defend it here and offer several critiques of popular views **A Comedian's Guide to**

The topic of leadership is ubiquitous in today's era of experts, scholars, and gurus. With a host of voices promoting a myriad of views on this topic, it is hard for one to determine who or what is correct. This book gets to the heart of the issue by providing an unashamed and historic basis for leading others using biblical truth as the standard. The postmodern epoch is fraught with confusion, relativity, and chaos as basic terms are redefined, historic truths are maligned, and cultural mores are upended. Consequently, leaders in this time are often just as confused as their followers, who are leaving a trail of destruction in their wake. Fortunately, there are answers for those seeking to lead with confidence based on something much grander than personal opinion or subjective reasoning. In this work, Dr. Liebhauser explains the pitfalls leaders face in these fluid times of resistance to anything authoritative while providing sound principles by which to effectively lead. The reader will appreciate learning about the historical dynamic which fueled postmodern thinking and find hope in the time-tested remedies this book provides. **Because I Think, I Believe** Donald R. Wilson, 2010. *Eternal Harmony* Dr. Ron R. Rickards, 2016-09-07. Has modern physics proven that the universe was created by absolutely nothing? Absolutely not. Have modern cosmology and Darwinian evolution eliminated the need for God? Absolutely not. Have the new atheists demonstrated the irrelevance of theology and philosophy in the pursuit of Truth? Not even close. The first of the four-volume *Eternal Harmony* series, *The Unity of Truth in God*, demonstrates decisively the powerful convergence of God-made religion and genuine science, as well as faith and reason, in the unity of truth in the one true triune God of the Holy Bible. The Tower of Modern Scientism is concurrently demolished so that not one scientific stone is left standing upon another. Can the truths of modern science and God-made religion be brought into *Eternal Harmony*? Most definitely. Are human life and the cosmos meaningful and purposeful? Yes. Can you personally inherit eternal life in the new heavens and the new earth and be with God Himself? Absolutely. Join physicist Dr. Ron R. Rickards on a sacred journey up the Mountain of Truth, which begins on common scientific and religious ground and ends with the most exalted truths of modern science and God-made religion coexisting peacefully in *Eternal Harmony*. By incorporating the lyric sheets to a dozen original songs, *The Unity of Truth in God* engages the reader as all human beings truly deserve to be engaged in the fullness of our humanity—that is, in heart, soul, and mind. The soundtrack is available through Amazon, iTunes, and other popular outlets. [The Theology of Dallas Willard](#) Gary Black, 2013-08-06. Evangelical Christianity in the United States is currently in a dramatic state of change. Yet amidst this sometimes tumultuous religious environment, a rather unique blend of both ancient and contemporary Christian theology has found its way into the hearts and minds of emerging generations of Christians. The

Theology of Dallas Willard both describes and conveys the essence of this increasingly popular and perhaps mediating view of the gospel of Jesus Christ. Blending both a prophetic critique with pastoral encouragement, Willard's unique understanding of the reality present within a life lived as a disciple of Jesus in the kingdom of God is attracting both new and traditional Christians to reconsider their faith. *Love Matters More* Jared Byas, 2020-09-08 For years Christians have argued, debated, and fought one another while speaking the truth in love, yet we are no closer to the grace-filled life Jesus modeled. Biblical scholar and popular podcast host of *The Bible for Normal People*, Jared Byas casts a new vision for the Christian life that is built not on certainty but on the risk of love. A biblically based Christian life is not grounded in having all the answers but in a living relationship. This ultimately shifts our focus from collecting the right answers to loving others deeply and authentically. With stories and insights drawn from his years as a pastor, professor, and podcast host, Jared Byas calls us back to the heart of the Bible: that truth is only true when it is lived out in love. In a refreshing voice that is both witty and profoundly revelatory, Jared unpacks the concept of truth, its meaning, and why we so often fight over it. He makes a compelling case for how what we believe is less important than how we believe it, and that more than anything else, telling the truth in love is about following Jesus. For anyone who has ever felt forced to choose between truth and love, acceptance and rightness, this book offers a path forward beyond truth wars and legalistic religion to a love that matters more. **Beating the Bounds** Sidney L. Green, 2013-03-08 Using the form of the classical symphony as an analytical and critical tool, Sidney Green examines the concepts of orthodoxy and heresy and their historical development in the Christian church and applies those to the confessional approach of the Global Anglican Future Conference (GAFCON). Using examples from history of the early church, the Reformation, and the contemporary emerging church, Green examines how the concept of boundaries and the exercise of ecclesiastical authority have been applied. Contemporary attempts to respond to the postmodern paradigm, producing a neo-dynamic view of orthodoxy, including radical ideas in the area of sexuality, are examined. Recognizing a dynamism in Anglican orthodoxy that is still very much alive alongside present attempts of conservative minorities to impose their view on the Communion, sometimes by very devious means, the distinctives of Anglican ecclesiology are discussed in the belief that ecclesiology is the outward expression of what theologically undergirds Anglican orthodoxy. Current attempts to bring harmony and stability in place of fracture and dissonance, culminating in the suggestion of an Anglican Covenant, are examined. Possible alternate ways forward are suggested, centered on the primacy of love. *Young True Woman* Betsy Gómez, 2025-09-16 How can you rest in your identity in Christ when everyone else is putting their expectations on your shoulders? Expectations are everywhere. Parents, friends, social media, their standards pull us in every direction and tell us who we're supposed to be and how we're supposed to act. Is it possible to break free from the noise and believe that we are God's daughters? The answer is yes. In *Young True Woman*, Betsy Gómez defines truth from a biblical perspective and dives into how to stand firm in a world vying for your attention. In this personal but practical guide to living as a Christian in today's society,

Errol Naidoo,2012-10-26 It often happens that people compromise their faith to suit their lifestyle Their black and white sense of right and wrong gets trapped in a gray area In NO COMPROMISE founder and president of Family Policy Institute FPI Errol Naidoo maintains that the major reason for the moral decline in the world today is the lack of conviction and commitment of Christians to be salt and light in society Even though prayer is the foundation of everything a Christian does NO COMPROMISE states that Christians shouldn't just pray and not engage in politics and social issues Naidoo spurs readers on not only to be people of prayer but also people of action They should adjust their lifestyle according to their faith no compromise **Where Did My Money Go?**
