Gale, 2016-04-14 First published in 1988 this book contains entries on famous American Humorists Humor has been present in American literature from the beginning and has developed characteristics that reflect the American character both regional and national Although American literature was in the past treated as inferior to British literature there has always been a large popular audience for the genre which this book shows The figures with entries in this encyclopedia not only amuse in their writing but also aim to enlighten setting out to expose the foibles and foolishness of society and the individuals who compose it It is the manner in which these authors try to accomplish this end that determines whether they appear in the volume Indeed the book will demonstrate that the best humor has at its base a ready understanding of human nature *The History of the Haverstock Tent Show* Robert Lee Wyatt, 1997 Although rural America supported more than seven hundred tent repertoire groups during the first half of the twentieth century little is known about the many players and companies that strolled the land to bring live entertainment to small towns Thus Robert Lee Wyatt s chronicle of a pioneer dramatic tent repertoire company is more than just a fascinating story it is also a particularly significant piece of American theater history Founded in Roosevelt Oklahoma in 1911 by Harvey Haver and Carlotta Lotta Haverstock the Haverstock Tent Show proved to be one of the most enduring of these tent theater companies and of family enterprises Rolland Haverstock the founders son played leading man roles for thirty of the company s forty three years and Rolland s wife Peggy who joined the company in 1933 toured with the group until it dissolved in 1954 As Wyatt reports the life and work of this remarkable family of thespians the schedule sounds grueling at least one new town every week with a

different three act play for each night they worked a town but apparently the Haverstocks and the actors who traveled with them loved their work And they thoroughly enjoyed meeting new people in the towns along the route through rural Oklahoma Texas Missouri Arkansas and Illinois Unlike many such companies the Haverstocks made a point of fitting into the community including going to church with their audiences on Sunday mornings Wyatt was exceptionally fortunate in finding such willing and able subjects as he investigated the tent theater movement Not only did Rolland and Peggy Haverstock spend hours regaling him with tales of the family touring company but they also provided him with their own archival records Through these two veteran players Wyatt had access to family letters Haver s memoirs and diaries copies of scripts route books record books and scrapbooks and photographs some of which are included here Wyatt supplemented this material with interviews with those who had worked with the Haverstocks or who had known the company by reputation Monthly Bulletin St. Louis Public Library,1915 Teachers bulletin vol 4 issued as part of v 23 no 9 *Colorado: Short Studies of Its Past and Present* Junius Henderson,1969 Damon Runyon Patricia Ward D'Itri,1982 Continuity and Change in the Native American Village Robert A.
