Discovering the Revelations of God Thomas Idler,2024-05-29 If you re wondering where God is and whether He s real consider the obvious If He is real wouldn t He reveal Himself and give us the answers we re looking for Surely those answers should be right in front of us Even though God has given us nine witnesses of His existence the world seems to have come up with alternative explanations How would you interpret these witnesses Will you follow what the world says or instead acknowledge what each witness says about God God revealed Himself to me face to face although I didn t realize it right away I saw how genuine God is how pure His heart is and how transparent His message is When I had my God moment everything got set into motion and that s why I wrote this book You are precious to God and you are precious to me God will reveal Himself to you throughout your life and hopefully this book will help you to more clearly understand Him
