The Time Traveller's Guide to British Theatre Aleks Sierz, Lia Ghilardi, 2023-04-27 British theatre is booming But where do these beautiful buildings and exciting plays come from And when did the story start To find out we time travel back to the age of the first Queen Elizabeth in the 16th century four hundred years ago when there was not a single theatre in the land In the company of a series of well characterized fictional guides the eight chapters of the book explore how British theatre began grew up and developed from the 1550s to the 1950s The Time Traveller's Guide to British Theatre tells the story of the movers and shakers the buildings the playwrights the plays and the audiences that make British theatre what it is today It covers all the great names from Shakespeare to Terence Rattigan by way of Oscar Wilde and George Bernard Shaw and the classic plays many of which are still revived today visits the venues and tells their dramatic stories It is an accessible journalistic account of this subject which while based firmly on extensive research and historical accuracy describes five centuries of British creativity in an interesting and relevant way It is celebratory in tone journalistic in style and accurate in content **London - Time Travel Guide** , [The Time Traveller's Guide to Regency Britain](#) Ian Mortimer, 2020-11-12
