The Truth About Giving Gods Dare To Give Scripturally:

The Truth about Giving Kyle Butt, John Farber, 2011-12 A 2009 survey conducted by the Department of Labor reported that the average American family spends 34 43 percent of their annual income on housing alone The rest of their money will be spent on food transportation entertainment health care etc Giving to God did not make the list Although that may not surprise you did you know that surveys among American Christians reveal similar results And if God is not left out He is left for last In this book Kyle Butt and John Farber shed light on the fact that it is time for Christians to make a change in how we give In Malachi 3 10 God dares His people to give so He can pour out such blessing that there will not be room enough to receive it Will you accept His challenge The blessing is yours when you become a scriptural giver one who gives what is right in the right way and for the right reasons Let *The Truth About Giving* guide you through that process and into a right relationship with your money and your God *A handbook of proverbs: English, Scottish, Irish, American, Shakesperean, and scriptural; and family mottoes*, ed. by J.A. Mair James Allan Mair, 1873 *Ten Prayers God Always Says Yes To* Anthony DeStefano, 2009-02-10 There have been thousands of books written about prayer and millions of sermons preached about it yet people continue to wonder Why doesn t God answer me when I cry out to him In light of all the problems we face in life we want to know why God is often so silent when we pray to him Anthony DeStefano author of the bestselling *A Travel Guide to Heaven* knew there had to be an answer to this mystery so he set out on a quest to find prayers that God says yes to all the time The result is an extraordinary new book that has the ability to dramatically change the lives of readers of all faiths Each short powerful prayer in *Ten Prayers God Always Says Yes To* addresses a particular problem people commonly face in life from accepting the existence of God to trying to make ends meet from getting through terrible suffering to coping with everyday stress from overcoming fear to finding your God given destiny Presented with a certainty and vigor that are sure to pique the interest of even those who are not spiritually inclined these prayers will help readers find solutions to life s most difficult situations and provide meaningful and inspiring answers to the vexing questions we have about the purpose of our time on earth In a world awash with superficial self help books and deceptive gimmicks *Ten Prayers God Always Says Yes To* is the real thing Using hundreds of scriptural references to support his claims DeStefano writes in a simple straightforward and uplifting manner that makes the most profound theological matters understandable to all In the words of the author This is a spiritual treasure chest that is available to everyone This book is about prayers that work really truly work *Finding God in Other Christians* Lorraine Cavanagh, 2012-04-12 As we journey in faith many of us begin to find God in the context of more than one kind of churchmanship Even if we feel happy where we are we may benefit greatly from getting out of our particular church comfort zone in order to encounter God in new ways through Christians whose priorities and styles of worship are at variance with our own This book calls us to a deeper and more compassionate approach to the challenges of diversity among Christians It addresses issues such as Are Christians meant to be more than friends Jesus Christ as our

common identity Violence between Christians Radical hospitality Dealing with difference The meaning of God among us and finally Christians in Christ and for the world The Mystery of Predestination John Salza, 2010-04-09 How can an all loving God choose some people for eternal salvation while permitting others to fall away Doesn't God offer the same amount of saving grace to everyone Isn't predestination a Protestant doctrine In The Mystery of Predestination author and apologist John Salza seeks to answer these questions and others about that most ineffable and confounding of Christian beliefs that God chooses to infallibly direct certain people to salvation but not others Drawing deeply upon Scripture Sacred Tradition and the writings of St Thomas Aquinas Salza says that a proper Catholic understanding of the doctrine of predestination is interconnected with two other central mysteries the ability of mankind to choose freely to accept or reject God's saving grace and the inability of mankind to accept God's grace without first being moved by His grace from within By holding these truths always before us we can see how God may predestine His elect to heaven but never desire that anyone go to hell We can also achieve a new clarity and depth of insight into a profound Christian truth God is the primary mover in salvation It is He who chooses seeks and saves us Meticulously researched and written in a scholarly yet accessible style The Mystery of Predestination is perfect for the serious Catholic who is confused by Bible verses or Magisterial statements in favor of predestination and never hears about it in Sunday sermons or who wants to defend Catholic truth against Calvinist error and is seeking clear traditional and Thomistic answers Or indeed for any thoughtful Christian who wants to come to terms with what the Bible teaches about the fundamental truths of our salvation *What You Say Is What You Get* Don

Gossett, 1976-06-01 Sometimes we talk and express our thoughts or feelings without considering how our words may affect us those around us or our circumstances If what we say does not align with the Word of God we can be in for a world of hurt There is power in our words especially when we proclaim agreement with what God has to say Don Gossett's fresh and uplifting message of faith and hope in *What You Say Is What You Get* The Power of Positive Confession will teach you How to receive healing wisdom and answers to prayer Why speaking positive words brings God's blessings The enemy's tactics to instill negativity in your life Inspiring truths that make God's power accessible to you How to find biblical direction for every situation Scriptures to declare for healing prosperity spiritual warfare unforgiveness and more Strengthen your faith and take your walk with the Lord to a higher level Learn the spiritual truths found in *What You Say Is What You Get*
