Valentina Spanish Isabel Mata Vicente:

Boletín oficial del estado: Gaceta de Madrid Spain,1965-11 *Widener Library Shelflist: Spanish history and literature* Harvard University. Library,1972 La revuelta de las Comunidades de Castilla en el reino de Dios Claudio César Rizzuto,2021-02-01 La revuelta de las Comunidades de Castilla 1520 1521 es uno de los grandes problemas de la España Moderna. Numerosos historiadores se han ocupado de su dimensión política institucional y social. A su vez ha sido un elemento destacado en la memoria histórica de los últimos siglos generando diversas conmemoraciones, obras artísticas e identificaciones políticas. El presente libro se centra en los aspectos religiosos y culturales de la revuelta contra Carlos V, perspectiva generalmente ausente en las aproximaciones. Para ello se realiza un recorrido por la demonización de los bandos en pugna, las pretensiones de reforma de la Iglesia y de la Inquisición, el primer impacto de la Reforma Protestante en Castilla, la heterogeneidad religiosa entre los rebeldes, las formas de legitimación religiosa por parte de la monarquía y los comuneros y las inspiraciones proféticas y mesiánicas. Se ubica así el conflicto comunero entre los problemas religiosos de la Edad Media y la Edad Moderna enfatizando la necesidad de una visión localizada y a la vez amplia de la dimensión religiosa de la revuelta. De esta manera, en coincidencia con las diversas conmemoraciones por los quinientos años de la revuelta, la obra pretende comenzar a completar un vacío historiográfico que puede acercar a los valores y creencias de sus participantes tanto entre los comuneros como entre los realistas en un momento clave de la historia de España y su inserción en la política europea.
