Internet Children's Television Series, 1997-2015 Vincent Terrace, 2016-08-22 Created around the world and available only on the web, internet television series are independently produced, mostly low-budget shows that often feature talented but unknown performers. Typically financed through crowd-funding, they are filmed with borrowed equipment and volunteer casts and crews, and viewers find them through word of mouth or by chance. The fifth in a series focusing on the largely undocumented world of internet TV, this book covers 573 children's series created for viewers 3 to 14. The genre includes a broad range of cartoons, CGI live-action comedies, and puppetry. Alphabetical entries provide websites, dates, casts, credits, episode lists, and storylines. **The St. Bernard stud book and show record, ed. by H.
