Values Based Commissioning Of Health And Social Care Values Based Practice:

Values-Based Commissioning of Health and Social Care Christopher Heginbotham, 2012-06-28 Health and social care commissioning is a values driven as well as evidence driven enterprise However whereas there has been an expectation that the evidence base of commissioning should be made fully explicit the corresponding values base has been left largely implicit The book addresses this subject through a detailed discussion of values and values based practice illustrated with case examples and by developing a critique of existing commissioning This approach enables commissioners to identify and make explicit the often diverse values of all those involved whether as commissioners providers or users of services It provides a skills base and other support processes for working with differences in values held by all those engaged in making commissioning decisions This will be essential reading for doctors both experienced and in training commissioning managers professional staff in NHS Foundation Trusts and the private sector and all at the sharp end of practice Values-Based Commissioning of Health and Social Care Christopher Heginbotham, 2012-06-28 The book illustrated with case examples identifies and makes explicit the often diverse values of those involved in healthcare commissioning whether as commissioners providers or users of services It provides a skills base and other support processes for working with differences in values held by those engaged in making decisions **Social Theory and Practice** ,2021-07

Evidence-based Health Promotion Ina Simnett, Elizabeth R. Perkins, Linda Wright, 1999-03-12 This volume will challenge those involved with health promotion to think more broadly about what doing the right thing and doing things right mean and to use this thinking to inform their practice It is therefore essential reading for those who are involved in health promotion as part of their practice health promotion specialists managers responsible for purchasing or providing services and students *The Health & Social Care Yearbook* ,2011 Parliamentary Debates (Hansard).
