Brady, 2014-04-02 From Kansas to Kathmandu from mountain to beach jungle to city street jail to monastery palatial estate to park bench psychopaths to gurus from heart break and back to love again our journeyer met with all these and much more in this engrossing tale of not just travel but of a life consciously unfolding Casting his fate to the wind he set out with little money but a shaky confidence that he'd find ways and means of survival when his bankroll hit bottom which didn't take long Being

carried by a strong desire and determination to see the world he persevered melting obstacles with an ability to spot an opportunity or to sink into or to wait out a situation Choosing to shun scamming smuggling or fruit picking in favor of creative and artistic means to earn his living he kept some cash in his pocket most of the time And by endeavoring to do only what he enjoyed doing and to keep company only with those of whom he had a high regard he found in this an all round viable formula that proved to work well for most everything in general During lengthy stretches in villages jungles and beaches of Central America and with nomads of the Moroccan Sahara sand dunes a family of wandering spiritual sadhus on the banks of the Ganges in India holding a position as cook and general manager in a charming backpacker hotel in Kabul Afghanistan after crossing that country by horseback Thus more than mere survival he thrived refusing to regard his own lack of funds as poverty Throughout the journey his path would cross and intertwine with the people of his own leaning the hippies on the trail which during this era were legion Many mysterious interventions of destiny would arise presenting ranges of circumstance from idyllic to agonizingly stressful but all would impart valuable life lessons and rich experience to this seeker of anything and everything that would add to his accumulation of knowledge knowledge of being human of being alive He would add to his own involvements insightful observations of others whose existence differed greatly from his own and would treasure absolutely all of it as spiritual experience

Beyond any Limits Gerd Joe Fes, 2023-02-16 The novel is set in the period marked by the youth protest of the late 60s more precisely in the hippie and drug movement which was part of this also international youth revolt The main character of the story is named Tobias He joins this youth protest and gets involved in the drug and hippie movement around 1970 moves into a rural commune gains experience in free love consumes and deals psychoactive drugs especially hashish sometimes also LSD Tobias meets the attractive Nina She injects herself with heroin Tobias enters into a liaison with her and the two decide to take a trip together to Afghanistan India Nepal and Goa Nina manages to stop injecting heroin before they leave Overland with stops in Istanbul southern Turkey and Afghanistan among other places the two arrive in India There after a short stay in Amritsar the couple is first drawn to Kashmir where they make the acquaintance of a few Indian begging monks called sadhus At their invitation they accompany them to a remote and paradisiacal Himalayan valley There they witness the passing and burial of a wise Hindu guru They then travel on via Delhi the Taj Mahal and Varanasi to Kathmandu in Nepal On the way Tobias becomes seriously ill with a fever but recovers After their stay in Nepal the journey takes them via Surat and Bombay to Goa They stay in the hippie commune there for a few months until Nina becomes pregnant and they both decide to return to Europe Again via Delhi and Amritsar they reach Peshawar and then Kabul A side trip to Bamiyan and the lakes of Band e Amir is made They take some dope with them and smuggle it across the Afghan Persian and subsequent borders Once back in Europe a stop is made first in Istanbul and then in Dubrovnik In Dubrovnik they meet a traveling street juggler originally of Czech descent Nina suffers a miscarriage She and Tobias return to Germany via Italy In Germany they learn that their old house sharing community no

longer exists and that many of their former companions have left the movement which as a whole is showing signs of disintegration The paths of Nina and Tobias then separate at first tentatively and they look around for a new way to live
