Touching Heaven Real Stories Of Children Life And Eternity:

Touching Heaven Leanne Hadley, 2013-06-01 Children have always been close to the heart of God It is when children are sick even dying that they can suddenly bring us closer to God ourselves Children s minister and former children s hospital chaplain Leanne Hadley has been ministering to hurting children for years In Touching Heaven she recounts the poignant stories and simple faith of the remarkable children she has been privileged to serve She shares their encounters with God Jesus and angels And with humor and tenderness she offers their inspiring testimonies to the presence of God in our lives even as earthly life is ending Anyone who has lost a child or another loved one or anyone who is currently supporting a dying person along the journey will find in these stories comfort inspiration and hope of everlasting life

Touching Heaven Dr. Chauncey Crandall, 2015-09-15 How a doctor s glimpses of eternity confirmed everything he believed about God suffering life on earth and what happens after death Dr Chauncey Crandall knows his patients well When they are dying he sits at the bedside with them and holds their hands He prays with them Sometimes he can feel what they feel and see what they see At other times his patients have near death experiences and come back with astonishing descriptions of the afterlife In TOUCHING HEAVEN Dr Crandall reveals how what he has seen and heard has convinced him that God is real that we are created for a divine purpose that death is not the end that we will see our departed loved ones again and that we are closer to the next world than we think

Touching Stories of My Life in Journey to Christian Holiness and Hands- on Patient Care in a Weeping Healthcare Ramsis F. Ghaly FACS, MD, 2019-08-26 This is the twelfth book of the series Christianity and the Human Brain It integrates the neuroscience and the Bible the Holy Book of our Lord Jesus My love for our Lord Jesus Christ abides with my lifetime passion for neurosurgery and medicine my continual obsession of spiritual connectivity of the Holy Spirit to the human brain that indeed separates mankind from all other living creation It has been my belief that the human brain does not limit itself to the physical skull but rather extends in a nonphysical form to the outside spiritual world even while living on earth In other words a big part of the human brain is actually outside the skull and the body As I perform brain surgeries for three decades I realize my theory is so true The majestic human brain can t be just the 1 500 grams of jelled matter inside the skull The human journey therefore is transforming the human brain to become a brain of a man of God and the hand of man to a hand of a man of God The spiritual human brain never dies only the flesh It is the center of my calling and unrelenting meditations while roaming in the heartfelt spirit lacking the physical proof that science demand of me My life is dedicated to my Lord Jesus patients and residents As a physician I have reached the top in America I am a professor of both neurological surgery and anesthesiology and I am well published in famous medical journals As an academic teacher I trained for more than thirty four years graduating thousands of trainee But all is nothing as I strive for the Christian holiness and fullness In a weeping healthcare with many patients falling victims I included actual patients miracles testimonials and sincere quotes as a testament to the Almighty and the dire need for faith and integral goodhearted

medicine This book is full of many vibrant stories that I love to share It is timely since I consider my generation soon will be viewed obsolete to the future generations and what will remain are the books I authored The book is a text of wealth covering broad and diverse topics of my life s journey in 134 chapters and organized over 14 sections So many chapters are written about my special love for Lord Jesus Christ and His children In poems deep reflections and spiritual release of mind I wrote extensively In fact I shut my senses and impersonated the human brains of the men of God and the children of the Most High in their prominent biblical stories A special section is dedicated to the mothers newborns and little children While my soul is grieving a section is designated on the ongoing Christian persecution especially the genocide of Christians in my country Egypt the ancient region of the Middle East and the oldest historic continent of Africa Furthermore I wrote some of my dreams and thoughts that I couldn t otherwise convey for one reason and another such as neuroscience in aerospace and some of the timely touching subjects like drug overdose human trafficking and healthcare crises Few chapters included are about my personal views and introducing spirituality into the recent turmoil in politics Friends human life starts with love and ends with eternal love for our Savior It is never enough to share our love write about love and talk about actual love stories of heavenly roses joy Christmas healing touch miracles and our calling for his purpose This is what my twelfth book is all about Echoes from the Pulpit and Platform Dwight Lyman Moody,1900 More Stories to Touch the Heart Russ Lawson,2008-02-01 This book is full of stories some true happenings some just good stories Each of these short devotional lessons are a sermon unto themselves I have had preachers write and tell me that they use them as sermon starters or for devotional lessons Mostly they are written with the hopes that they will touch something in your heart and help you in your daily walk with Christ **Preacher and Homiletic Monthly** ,1916 **The Homiletic Review** ,1916 **Metropolitan Pulpit and Homiletic Monthly** ,1916 **The Two Worlds** ,1924 *People Are Dumb* Alex P. campaign for NPR where she witnessed first hand the power and influence that evangelical Christian beliefs held on the political right Sarah also came to discover that she was not alone she is among a rising generation of the children of evangelicalism who are growing up and fleeing the fold who are thinking for themselves and deconstructing what feel like the alternative facts of their childhood Rigorously reported and deeply personal The Exvangelicals is the story of the people who make up this generational tipping point including Sarah herself Part memoir part investigative journalism this is the first definitive book that names and describes the post evangelical movement identifying its origins telling the stories of its members and examining its vast cultural social and political impact
