You can also turn to the MICHELIN Guide Main Cities of Europe for carefully researched, objective recommendations to restaurants and hotels in Vienna and Salzburg. Anonymous inspectors use the famed Michelin star rating system to create an extensive selection of great places to eat and stay for all budgets. Our famous one, two and three stars identify establishments serving the highest quality cuisine, taking into account the quality of ingredients, the mastery of technique and flavors, the levels of creativity and, of course, consistency. In addition, the Bib Gourmand symbol, also known as the inspectors' favorites, highlights restaurants offering good quality at a good value.

Austria Michelin Travel Publications (Firm),2001 This addition to the Michelin Green Guide series provides travellers with a comprehensive guide to the cultural and natural highlights of Austria. *A Mary Shelley Encyclopedia* Lucy Morrison, Staci L. Stone,2003-06-30 *Frankenstein* is one of the most popular classroom texts in high school and college and Shelley's other works are attracting renewed attention. This reference is a comprehensive guide to her life and career. Included are hundreds of alphabetically arranged entries about her works, friends, relatives, residences, fictional characters, allusions and more. Mary Shelley has only recently emerged from the shadows of her famous parents, Mary Wollstonecraft and William Godwin, and that of her husband, Percy Bysshe Shelley. Today *Frankenstein* 1818-1831 is one of the most popular classroom texts in high school and college and Mary Shelley's other works are attracting renewed attention. These works

reveal much about the Romantic literary period and Shelley's ongoing development as a writer. In addition to her novels Shelley wrote short stories, poems and dramas. These texts illustrate the difficulties of a shifting literary marketplace while her travel writings illuminate her rich personal experiences and keen intellect. This reference is a comprehensive guide to her life and career. Included are hundreds of alphabetically arranged entries about her works, friends, relatives, residences, fictional characters, allusions and more. Some entries briefly identify and contextualize their topics while others offer more extensive discussions. Many entries cite sources of further information and the volume closes with a bibliography. The work is fully cross referenced and includes a detailed index and an appendix that discusses the sources of Shelley's quotations.
