Holmes,2009-09-01 Holmes discusses the biblical aspect of fasting from Old Testament Scriptures to the practice of the early church **Spirit Cure** Joseph W. Williams,2013-02-14 Joseph W Williams examines the changing healing practices of pentecostals in the United States over the past 100 years from the early believers to the later generations of pentecostals and their charismatic successors **The Great American Health Hoax** Raymond Francis,2015-02-03 Described as one of the few scientists who has achieved a breakthrough understanding of health and disease Raymond Francis draws deeply from his years of personal experience and professional training A chemist and a graduate of MIT Raymond exposes the truth about why the conventional approaches to health and disease aren t working In *The Health Hoax* Francis blends wisdom from his previous books with new information and research then he pulls out all the stops and creates a simple roadmap to health so that you can get well stay well and never be sick again Francis believes that through education we can put an end to the epidemic of chronic disease while providing a solution to the biggest social and economic problem of this century the costs of global aging In *The Health Hoax* Francis exposes the truth about how to stay healthy and introduces us to a way of life that can become a highway to health while he quite effectively demonstrates that we really don t have to be sick Then he reminds us that not only is there absolutely no fun in being sick but we are going broke trying to pay the cost Francis realizes that the only solution for individuals and society as a whole is to maintain health But health is a solution that we must choose and once we make that choice we must learn how to achieve it Fortunately learning how to be healthy has never been easier *The Health Hoax* makes it simple Because the human organism is a magnificent self regulating self repairing system it is capable of being completely functional and in excellent health for well over 100 years of vital productive life We are the sum of everything that goes into our system it is our job to support it When we make the choice to properly care for ourselves our bodies will reward us with the gift of good health and long life All we need is a tool to help us master the elements of health that are the most important This book is that tool It will empower you

to choose health and never be sick again      *Faith Reads* David Rainey,2008-07-30 At last a resource for librarians who wish to build or develop their nonfiction collection and use it to better serve the needs of adult Christian readers Covering the three major branches of Christianity Roman Catholic Protestant and Orthodox the author organizes more than 600 titles into subject categories ranging from biography the arts and education to theology devotion and spiritual warfare Award winning classics are noted Introductory narrative frames the literature and helps librarians better understand Christian literature and learn how to establish selection criteria for building a Christian nonfiction collection      **Healing in the History of**

**Christianity** Amanda Porterfield,2005-08-25 Healing is one of the most constant themes in the long and sprawling history of Christianity Jesus himself performed many miracles of healing In the second century St Ignatius was the first to describe the eucharist as the medicine of immortality Prudentius a 4th century poet and Christian apologist celebrated the healing power of St Cyprian s tongue Bokenham in his 15th century *Legendary* reported the healing power of milk from St Agatha s breasts Zulu prophets in 19th century Natal petitioned Jesus to cure diseases caused by restless spirits And Mary Baker Eddy invoked the Science of Divine Mind as a weapon against malicious animal magnetism In this book Amanda Porterfield demonstrates that healing has played a major role in the historical development of Christianity as a world religion Porterfield traces the origin of Christian healing and maps its transformations in the ancient medieval and modern worlds She shows that Christian healing had its genesis in Judean beliefs that sickness and suffering were linked to sin and evil and that health and healing stemmed from repentance and divine forgiveness Examining Jesus activities as a healer and exorcist she shows how his followers carried his combat against sin and evil and his compassion for suffering into new and very different cultural environments from the ancient Mediterranean to modern America and beyond She explores the interplay between Christian healing and medical practice from ancient times up to the present looks at recent discoveries about religion s biological effects and considers what these findings mean in light of ages old traditions about belief and healing Changing Christian ideas of healing Porterfield shows are a window into broader changes in religious authority church structure and ideas about sanctity history resurrection and the kingdom of God Her study allows us to see more clearly than ever before that healing has always been and remains central to the Christian vision of sin and redemption suffering and bodily resurrection
