Walker,2013-10 In a rapidly polarizing world Melmin finds his way through dead ends of following others expectations during a full naval career only to discover that happiness is in a deep Spiritual connection one that he never could have seen coming Beginning in mid 1988 Melmin launched into adulthood fresh from his long high school years by immediately donning the Navy dungarees His goals were clear combat foreign and exotic locales and maybe a Medal of Honor Twenty years later he retired with things he never expected Two failed marriages a lost young adult child and a failed attempt at SEAL training brought him face to face with a lifetime of failures and an unknown future Unsure if he should punch out or push forward something totally unexpected occurred Through an abrupt and painfully unwitting renunciation of his entire possessions he was shown the Light of God and given two choices Looking back at his life and the teachers who showed him the hard way to live he opts for the path of Knowledge except it requires a death of ego harder than anything before Follow along and watch Melmin go from destruction to the ultimate Creation of an Enlightened being A true warrior does not hate his enemy He is not neutral to his enemy He loves his enemy as he loves himself He sees in his enemy a mirror a reflection of desire to
