Honorable Warrior Lewis Sorley, 1998 A man of extraordinary inner strength and patriotic devotion General Harold K Johnson was a soldier s officer loved by his men and admired by his peers for his leadership courage and moral convictions Lewis Sorley s biography provides a fitting testament to this remarkable man and his dramatic rise from obscurity to become LBJ s Army Chief of Staff during the Vietnam War A native of North Dakota Johnson survived more than three grueling years as a POW under the Japanese during World War II before serving brilliantly as a field commander in the Korean War for which he was

awarded the Distinguished Service Cross for extraordinary heroism The latter experiences led to a series of high level positions that culminated in his appointment as Army chief in 1964 and a cover story in Time magazine What followed should have been the most rewarding period of Johnson s military career Instead it proved to be a nightmare as he quickly became mired in the politics and ordeal of a very misguided war Johnson fundamentally disagreed with the three men LBJ Secretary of Defense Robert McNamara and General William Westmoreland running our war in Vietnam He was sharply critical of LBJ s piecemeal policy of gradual escalation and his failure to mobilize the national will or call up the reserves He was equally despondent over Westmoreland s now infamous search and destroy tactics and reliance on body counts to measure success in Vietnam By contrast he advocated greater emphasis on cutting the North s supply lines helping the South Vietnamese provide for their own internal defenses and sustaining a truly legitimate government in the South Unheeded he nevertheless continued to work behind the scenes to correct the nation s flawed approach to the war Sorley s study adds immeasurably to our understanding of the Vietnam War It also provides an inspiring account of principled leadership at a time when the American military is seeking to recover the very kinds of moral values exemplified by Harold K Johnson As such it presents a profound morality tale for our own era The Body and Its Defenses Frances Gulick Jewett,1910 Kit Carson, the Happy Warrior of the Old West Stanley Vestal,1928 A biography of famed Old West frontiersman Christopher Kit Carson At various times Carson worked as a mountain man fur trapper wilderness guide Indian agent and American Army officer **The Iron-Will Formula for Tough People: How to Stay Strong No Matter What** Ahmed Musa,2025-03-10 Mental toughness is the ability to stay strong in the face of adversity and The Iron Will Formula for Tough People is your guide to building unshakable resilience This book teaches you the principles and strategies behind developing an iron will mindset that enables you to push through challenges setbacks and hardships Whether you re facing tough times in business personal struggles or just looking to strengthen your mental fortitude this book offers practical steps to build unyielding toughness Through consistent training mindset shifts and a refusal to give up you will learn how to stay strong and keep moving forward no matter what life throws your way This book equips you with the tools to maintain unwavering determination and mental clarity enabling you to face any challenge with confidence and resilience National Service ,1919 Control of Body and Mind Frances Gulick Jewett,1908 **The Monthly Chronicle of North-Country Lore and Legend** ,1889 Sunday School Times ,1882 **Everyman: Special Belgian Relief Number** Charles Sarolea,1914 The Boy's Own Annual ,1928 Stories articles interviews puzzles games jokes and other miscellaneous writings for boys **Silva Gadelica (I.-XXXI.)** Standish Hayes O'Grady,1892 The Living Age ,1915 The Uncivilized Races of Men in All Countries of the World John George,1876
