of dialogue many of us know how critical ignorance about the nature of the dialogue can be in all fields at all levels Argentinian poet Antonio Porchia once wrote that To be someone is solitude Any self felt genius or world leading mortal will identify with this The solitude at stake is that of the one who fails to link with others or an Other by denying the possibility to relinquish some of him or herself In fact the true someone is never alone the true someone never leads This is the message Culture and Dialogue is striving to convey express or analyse in its various forms across the humanities the arts and the social sciences Besides the Journal has always sought when possible to preserve a certain spirit of writing in addition to academic rigour and creativity a spirit that is undeniably fading in the midst of the publish or perish ethos adopted by advanced techno capitalist systems of education in some parts of the world Vol 3 No 1 is a Special Issue devoted to the theme of religion and dialogue Cosimo Zene of the School of Oriental and African Studies of the University of London kindly accepted our invitation to be the Guest Editor and our words of thanks must first go to him Cosimo has managed to bring together a range of outstanding essays of which the Journal can only be proud To various degrees and in different ways all essays discuss dialogue and religion or show dialogue at work in religious studies We are most grateful to all the authors who generously contributed to this Special Issue and therefore to the life of the Journal in alphabetical order T H Barrett Stephen Chan Jan Peter Hartung S an Hawthorne Catherine Heszer Tullio Lobetti Theodore Proferes and Cosimo Zene

**Re-embodiment and Rethinking Greek and Roman Drama in Modern Times**, 2025-01-20 Rooted in a range of approaches to the reception of classical drama the chapters in this book reflect in one way or another that Greek and Roman drama in performance is an ongoing dialogue between the cultures of the original and the target culture of its translation adaptation performance The individual case studies highlight the various ways in which the tradition of Greek and Roman plays in performance has been extremely productive but also the ways in which it has engaged at times dangerously in political and social discourse
