Working The Boundaries Race Space And Illegality In Mexican Chicago:

Working the Boundaries Nicholas De Genova, 2005-10-18 An ethnographic study of transnational migration racialization labor subordination and citizenship in Chicago's Mexican migrant community *Decoloniality in the Break of Global Blackness* Michaelaeline A. Crichlow, Patricia M. Northover, 2025-05-21 This book contextualized by the violence of globalization investigates the fungible fugitive and untenable experiences of Black being and time through a decolonial poethics of global Blackness In so doing it introduces innovative readings of coloniality decoloniality by threading its meaning and movement through the problem of Blackness It argues that global Blackness is the complexly entangled other side of decoloniality as movement method and poethics for radical new worlds The essays explore this through inter transdisciplinary creative and decolonial standpoints whether from prison abolitionist demands to Afrofuturist imaginaries or by seeing through Black mirrors It emphasizes the paradoxical characteristics of global Blackness its spectral quality of being in and out of modernity's self narrative to provide a way of dwelling with global Blackness as a force that is neither properly constituted by corporeality nor thinkable in ontological terms determined by modern power The book will be of interest to academics researchers and students in the fields of social sciences cultural studies postcolonial studies as well as cultural practitioners art educators artists cultural activists and those institutions that seek to decolonize imaginaries thought practices and methods Given its diverse offerings it will also be of interest to upper level undergraduates graduate students and academics

Constructing Immigrant 'Illegality' Cecilia Menjivar, Daniel Kanstroom, 2014 This collection examines how immigration law shapes immigrant illegality the concept of immigrant illegality and how its power is wielded and resisted The Cybernetic Border Iván Chaar López, 2024-03-04 Iván Chaar López argues that the United States uses a combination of drone surveillance and informational technologies to protect the US Mexico border in ways that mark border crossers as racialized others that must be policed Keywords for Latina/o Studies Deborah R. Vargas, Nancy Raquel Mirabal, Lawrence La Fountain-Stokes, 2017-12 2018 Outstanding Academic Title given by CHOICE Magazine Introduces key terms concepts debates and histories for Latinx Studies Keywords for Latina/o Studies is a generative text that enhances the ongoing dialogue within a rapidly growing and changing field The keywords included in this collection represent established and emergent terms categories and concepts that undergird Latina/o studies they delineate the shifting contours of a field best thought of as an intellectual imaginary and experiential project of social and cultural identities within the US academy Bringing together 63 essays from humanists historians anthropologists sociologists among others each focused on a single term the volume reveals the broad range of the field while also illuminating the tensions and contestations surrounding issues of language politics and histories of colonization specific to this area of study From borderlands to migration from citizenship to mestizaje this accessible volume will be informative for those who are new to Latina/o studies providing them with a mapping of the current debates and a trajectory of the development of the field as well as being a valuable resource

Language and Social Justice Kathleen C. Riley, Bernard C. Perley, Inmaculada M. García-Sánchez, 2024-02-22 Language whether spoken written or signed is a powerful resource that is used to facilitate social justice or undermine it The first reference resource to use an explicitly global lens to explore the interface between language and social justice this volume expands our understanding of how language symbolizes frames and expresses political economic and psychic problems in society thus contributing to visions for social justice Investigating specific case studies in which language is used to instantiate and or challenge social injustices each chapter provides a unique perspective on how language carries value and enacts power by presenting the historical contexts and ethnographic background for understanding how language engenders and or negotiates specific social justice issues Case studies are drawn from Africa Asia Europe North and South America and the Pacific Islands with leading experts tackling a broad range of themes such as equality sovereignty communal well being and the recognition of complex intersectional identities and relationships within and beyond the human world Putting issues of language and social justice on a global stage and casting light on these processes in communities increasingly impacted by ongoing colonial neoliberal and neofascist forms of globalization Language and Social Justice is an essential resource for anyone interested in this area of research

Mexicanos, Third Edition Manuel G. Gonzales, 2019-06-05 Responding to shifts in the political and economic experiences of Mexicans in America this newly revised and expanded edition of *Mexicanos* provides a relevant and contemporary consideration of this vibrant community Emerging from the ruins of Aztec civilization and from centuries of Spanish contact with indigenous people Mexican culture followed the Spanish colonial frontier northward and put its distinctive mark on what became the southwestern United States Shaped by their Indian and Spanish ancestors deeply influenced by Catholicism and often struggling to respond to political and economic precarity Mexicans play an important role in US society even as the dominant Anglo culture strives to assimilate them With new maps updated appendixes and a new chapter providing an up to date consideration of the immigration debate centered on Mexican communities in the US this new edition of *Mexicanos* provides a thorough and balanced contribution to understanding Mexicans history and their vital importance to 21st century America

Latino Urban Ethnography and the Work of Elena Padilla Merida M. Rua, 2010-12-10 This study reclaims and builds upon the classic work of anthropologist Elena Padilla in an effort to examine constructions of space and identity among Latinos The volume includes an annotated edition of Padilla s 1947 University of Chicago master s thesis *Puerto Rican Immigrants in New York and Chicago A Study in Comparative Assimilation* which broke with traditional urban ethnographies and examined racial identities and interethnic relations Weighing the importance of gender and the interplay of labor residence and social networks Padilla examined the integration of Puerto Rican migrants into the social and cultural life of the larger community where they settled Also included are four comparative and interdisciplinary original essays that foreground the significance of Padilla s early study about

Latinos in Chicago Contributors discuss the implications of her groundbreaking contributions to urban ethnographic traditions and to the development of Puerto Rican studies and Latina o studies Contributors are Nicholas De Genova Zaire Z Dinzey Flores Elena Padilla Ana Y Ramos Zayas M rida M R a and Arlene Torres Within and Beyond Citizenship Roberto G. Gonzales,Nando Sigona,2017-07-06 Within and Beyond Citizenship brings together cutting edge research in sociology and social anthropology on the relationship between legal status rights and belonging in contemporary societies of immigration to offer a daring new perspective on these questions It offers new insights into the ways in which political membership is experienced spatially and bureaucratically constructed and actively negotiated and contested in the everyday lives of citizens and non citizens **Border Spaces** Katherine G. Morrissey,John-Michael H. Warner,2018-03-13 Grounded in the borderlands and prompted by art this book considers the connections between art land and people in a fraught binational region Provided by publisher
