

Big Single To Thrill Even Expert Riders

Honda's biggest single is a real thumper that will torque it right up the nastiest hill without fuss or heroics. You also get a bonus of revs for the OHC 4-valve head to give you plenty of speed on the road. This is a dual purpose bike that's really superior. Added ground clearance, longer suspension movement front and rear, a quiet exhaust system with spark arrestor that's tucked in out of the way and a slim frame and tank give you a better ride and more fun. This really tough single is a machine to thrill the expert dirt rider. Plus famed Honda 4-stroke ultra reliability.
