Tough Topics Sam Storms, 2013-04-30 Will there be sex in heaven Are miraculous gifts for today Does God ever change His mind Such difficult questions often intrigue us readily confuse us and sometimes disturb us Drawing on nearly 40 years of teaching and ministry experience pastor scholar Sam Storms answers 25 challenging questions Christians are often too afraid to ask addressing thorny issues ranging from the eternal destiny of infants to the roles of demons and angels The robust thoughtful answers provided in this book offer a helpful alternative to relying on simplistic explanations and will encourage you in the search for truth and clarity on such tough topics Philosophical Approaches to Demonology Benjamin W. McCraw, Robert Arp, 2017-03-31 In contradistinction to the many monographs and edited volumes devoted to historical cultural or theological treatments of demonology this collection features newly written papers by philosophers and other scholars engaged specifically in philosophical argument debate and dialogue involving ideas and topics in demonology The contributors to the volume approach the subject from the perspective of the broadest areas of Western philosophy namely metaphysics epistemology logic and moral philosophy The collection also features a plurality of religious cultural and theological views on the nature of demons from both Eastern and Western thought in addition to views that may diverge from these traditional roots *Philosophical Approaches to Demonology* will be of interest to philosophers of religion theologians and scholars working in philosophical theology and demonology as well as historians cultural anthropologists and sociologists interested more broadly in the concept of demons Understanding Spiritual Gifts Sam Storms, 2020-09-01 What are spiritual gifts Storms has spent several decades teaching on the topic of the spiritual gifts and equipping believers in the faithful practice of God's gifts Yet there remains a great deal of confusion about the nature of the gifts and how they best function in the body of Christ In this comprehensive guide to the spiritual gifts Storms addresses the many bizarre and misleading interpretations while confronting the tendency to downplay the urgency of spiritual gifts for Christian living and ministry He explains how spiritual gifts both the more miraculous and the everyday are given to build up the body of Christ God has graciously provided these manifestations of the Spirit so that believers might encourage edify strengthen instruct and console one another all with a view to an ever increasing incremental transformation into the image of Jesus Christ Throughout this guide Sam Storms unpacks the glorious truth that there is a supernatural and divine energy or power that fills and indwells the body and soul of every Christian believer *Understanding Spiritual Gifts* is useful as a reference to address common questions about the gifts but it also serves as a training manual for using and exercising the gifts in ministry It is perfect for any individual or group who wants to grow in their understanding of spiritual gifts for today Hard Questions, Real Answers William Lane Craig, 2003-10-17 Why doesn't God answer my prayers If God is so powerful why does evil exist And if He is so good why do we suffer Nonbelievers and even Christians are often troubled by questions about suffering doubt failure and unanswered prayer Yet careful compassionate answers are hard to find in part because

evangelicals have not taken the life of the mind seriously enough The intellectual currents of our day are just too strong for simplistic responses In *Hard Questions Real Answers* William Lane Craig doesn't offer trite phrases or pat answers he offers honest insights gained from a life of study and ministry Readers in the midst of doubt and confusion will find real answers to these perplexing questions and learn to stand on the only sure foundation for hope God Himself This expanded new edition includes chapters on abortion and homosexuality to help readers know how to think about these volatile social issues

'Hell': A Hard Look at a Hard Question David J. Powys, 2007-01-01 I welcome this rigorous examination of some of the many questions which are raised by the doctrine of hell At a time when it is rare to hear even heaven spoken about in our churches it is encouraging that this sober theme is once more in our sights It was plainly often on the lips of Jesus Nigel M de S Cameron Trinity International University Dr Powys has pursued a rigorous examination of the Scriptures He rivets our attention on what the New Testament actually says about the fate of the unrighteous This is a seminal work David Claydon Federal Secretary CMS Australia The author writing from a position of biblical conservatism has presented a powerful convincing and scholarly case for the view that the unrighteous will forfeit resurrection life in the Kingdom of God It is in my judgment the most thorough treatment of the issue in recent years John W Pryor Macquarie University This book is an impressive thorough discussion of a thorny question Dr Powys is at home in many branches of biblical studies He examines the biblical evidence carefully and sets his case out lucidly and with real insight showing convincingly how ill founded are many ancient and many recent views on the fate of the unrighteous His own solution of a set of complex exegetical and theological issues is judicious and clearly the end result of careful thought from the Foreword by Graham Stanton University of Cambridge David Powys has made a significant contribution to an increasingly important debate His book's real strength lies in its very careful study of New Testament teaching in the light of a comprehensive analysis of the Old Testament and Jewish literature This literature is rightly seen not merely as background but as the key to a right understanding of the New Testament teaching I wish that such a clear discussion had been available when I first began engaging with these questions Stephen Travis St John's College Nottingham David Powys was educated at The University of Melbourne He gained degrees in arts and social work studied theology at Ridley College and was ordained in 1981 Dr Powys has ministered in four Melbourne parishes He is an Examining Chaplain to the Archbishop of Melbourne and a member of Archbishop in Council and National Synod He was awarded the Doctor of Theology by the Australian College of Theology in 1994 for his *The Hermeneutics of Hell* The present volume is a slightly abbreviated version of that dissertation The Truth Seeker ,1893
