Tour Operators Manual Usaid:

Managing a Tour Operating Business Shepherd Nyaruwata, 2022-03-09 This book provides knowledge of and insights into the nature and characteristics of the global tour operations business. It highlights the role played by tour operators in developing tourism in both developed and developing countries and offers critical analysis of how the growth of information communication technologies has influenced the adoption of new business models by tour operators. The text also provides useful case studies drawn from Europe, Africa, and the United States of America which will assist the reader to understand how the industry has evolved. It further highlights the challenges being faced by tour operators in developing countries and offers a business model that will assist them in retaining future business sustainability.

Understanding the Business of Tourism Venu Vasudevan, 2025-10-28 This book outlines the facets of the tourism industry, introduces tourism products and services, and provides national and international examples. With questions, discussion topics, and activities, it enlightens students and teachers on practical and business-oriented knowledge on the industry which is distinct from the traditional sources of information available on this subject. The textbook covers all the topics common to most graduate courses in Tourism. While Part 1 intends to provide clarity and a strong foundation to students beginning their education in tourism, Part 2 and 3 form the core offering, providing a comprehensive look at the most important sub-sectors of the industry and focusing attention on the tourism industry of contemporary India. Part 4 outlines the issues confronting tourism and deliberates on the possibilities and opportunities that the future holds for the industry. This book is the best entry point for any student enrolling for a tourism course, whether a diploma degree or post graduate. It will also empower young professionals already employed in the tourism industry to get acquainted with the fundamentals of Tourism.

Manual for Undertaking National Urban Assessments Asian Development Bank, 2016-11-01 Urbanization in Asia is expected to reach 55% by 2030 and 64% by 2050, to constitute 53% of the world's urban population and contribute half the world's gross domestic product. But as cities swell, they also struggle with environmental degradation, traffic congestion, inadequate urban infrastructure, and lack of basic civic services. This manual, prepared by the Urban Sector Group of the Asian Development Bank (ADB), provides guidelines for conducting rapid urban assessments. It is guided by the Urban Operational Plan 2012-2020, which outlines ADB's support to its members in developing their urban economies through the 3E approach: Economy, Environment, and Equity. It presents a framework providing a context for the city-level 3E tool kits: Tool Kit for Rapid Economic Assessment, Planning and Development of Cities in Asia, Green City Development Tool Kit, and Enabling Inclusive Cities Tool Kit for Inclusive Urban Development.
