Cases on Tour Guide Practices for Alternative Tourism Yildirim, Gulsun,Ozbek, Ozlem,Kilinc, Ceyhun Caglar,Tarinc, Abdullah,2020-06-19 Tour guides a highly responsible group of professionals who are in direct communication with tourists traveling around the world have a great impact on the proper promotion of the culture of countries global peace and tolerance Additionally they are also effective in the preservation of world natural heritage Thus the educational status of tour guides as well as the characteristics and ethical values that they should possess need to be examined on an international scale In today s world where tourism demand is directed towards all types of tourism practices in special interest tourism should be customized in order to ensure the highest level of service quality and cultural appreciation Cases on Tour Guide Practices for Alternative Tourism provides emerging research exploring the theoretical and practical aspects of the occupational issues that surround tour guides and their applications within international tourism Featuring coverage on a broad range of topics such as cultural education specialized learning and international business this book is ideally designed for tour guides travel agencies tour managers tour developers heritage sites museums academicians researchers students industry experts and hospitality professionals

Gender, Disability, and Tourism in Africa Erisher Woyo,Hellen Venganai,2022-11-10 This book explores the intersection of gender and disability in the context of tourism In part the book foregrounds feminist theorising of intersectionality by examining how gender can overlap with other social identities to contribute to more systemic oppression domination discrimination and marginalisation of certain categories of people Our point of departure is that disability does not operate in isolation as it is constituted and experienced within an already gendered social and tourism environment With substantial research on the intersection of gender and tourism on the one hand and the intersection of disability and tourism on the other hand the interconnectedness of gender and disability and the implications this has on tourism policy and practice remains understudied Thus the book provides a critical lens that helps unpack underlying assumptions about gender and disability while questioning the dominant ideas about gender and disability reproduced through tourism policies and institutional practices in an African context This book will be of interest to scholars and researchers in Gender Studies Disability Studies and Tourism Studies particularly those with a research interest in Africa

Handbook of Research Methods for Tourism and Hospitality Management Robin Nunkoo,2018-07-27 As research in tourism and hospitality reaches maturity a growing number of methodological approaches are being utilized and in addition

this knowledge is dispersed across a wide range of journals Consequently there is a broad and multidisciplinary community of tourism and hospitality researchers whom at present need to look widely for support on methods In this volume researchers fulfil a pressing need by clearly presenting methodological issues within tourism and hospitality research alongside particular methods and share their experiences of what works what does not work and where challenges and innovations lie

Enhancement of Public Real-estate Assets and Cultural Heritage Lucia Della Spina, Francesco Calabrò, 2021-01-21 The management of cultural heritage and public real estate assets is one of the most crucial challenges concerning the sustainable use of these resources involving dynamic methods to stimulate preservation development renewal and transmission to future generations of these essential assets The contributions presented in this book provide a rich and varied panorama of research experiences and innovative tools capable of promoting the re use of cultural heritage in European cities and cultural landscapes using a circular economy logic as a model of sustainable development From this point of view cultural capital becomes the driver of a regeneration process on the local urban and metropolitan scales in which the transversal interconnections between the production cycles of the adaptive re use of the available heritage both in the adaptation and in the management phase configure a circular process of multidimensional production of value Therefore future territorial redevelopment projects can base their idea strength on an open system of appropriately selected social attractors whose enhancement and use have the objective of triggering widespread regeneration effects on the whole territory of influence receiving inducement and resources to progress

The Tourism-Disaster-Conflict Nexus Andreas Neef, Jesse Hession Grayman, 2018-11-12 Tourism is often seen as the world's peace industry Yet while tourism may play a major role in post conflict and post disaster recovery the sector can also be a trigger of crisis and disaster This book examines the complex linkages between tourism disaster and conflict through a series of case studies drawn mainly from the Asia Pacific region
