TOXIC CHARITY

How Churches and Charities Hurt Those They Help

(And How To Reverse It)

"Lupton says hard things that need to be said. . . . If we accept rather than resist his critique, the poor and non-poor will both be better off."

Faith in the Marketplace Samuel Lee, 2021-04-12 Contemporary missions often include evangelistic and socio economic dimensions For effective missions some way of assessing what is being achieved is needed beyond just the common metrics touching on the spiritual and or economic which neglects social transformation that ideally should also be occurring This book seeks to identify key factors for holistic evaluation based on salient characteristics that emerged as three Entrepreneurial Church Planting sites were studied in San Francisco Redeemer Community Church Selma Alabama Blue Jean Church and Lynch Kentucky Meridzo Ministries What emerges from these case studies is the importance of relationality general emphasis on growth and development and a well established focus on holistic transformation The mechanisms for the operation of holistic transformation are spelled out to reflect the operation of the three actors of the Trinity in missions The practical component of the book is the conceptual framework that reveals the operation of holistic transformation and ways to measure the dynamic relationships that occur

Global Poverty Justin Thacker, 2017-03-28 While a number of secular philosophers have written on global poverty theologians have either steered clear entirely or simply mimicked the political analysis currently on offer Christian authors have argued either for a free market solution to global poverty or for a radical reform of global capitalism as the best approach but the theological underpinnings of such conclusions are noticeable by their absence Justin Thacker offers a new way forward He suggests deeply theological answers to questions around the effect of capitalism on global poverty and whether aid is really a sustainable long term solution for the world s poor This book will challenge theologians church leaders and congregations to consider much more seriously the huge implications of faith and theology on our attitude to those who live in extreme poverty

Every Good Thing David W. Jones, 2016-05-18 The physical world around us should have just as much bearing on how Christians act and think as the life to come But Christians often don t understand how the Bible speaks directly to this important aspect of everyday life In Every Good Thing David W Jones illustrates the wide variety of areas wealth and poverty tithing and creation care vocation and Sabbath impacted by our understanding of the Bible s teaching on the material realm This short book surveys key concepts and controversies on each topic accompanied by Bible passages to help readers develop a more robust worldview of the physical world around us After all Christians should take the life of Christ as an example for their own and his life on earth reflected a deep concern for and engagement with the world in which he walked and breathed worked and lived So too God calls us to think biblically about how our beliefs impact our material lives
