Warrior Mage Chains Of Honor Book 1:

Warrior Mage (chains of Honor, Book 1) Lindsay Buroker, 2015
Buroker, 2015-04-25 His mother was one of the most powerful wizards in the Nurian Empire until she abandoned her people to become a notorious pirate. That choice doomed the family she left behind to a life of disgrace. Yanko White Fox doesn't remember his mother, but as the only gifted child in the family, he is expected to erase the mark she left on them all. With an affinity for earth magic and communicating with animals, he's not the most natural candidate to become a warrior mage, but it's the only sure route back into the Great Chief's good graces. He has resigned himself to training for that destiny, whether it matches his passions or not. Long before he's ready for his first battle, insurrection comes to his distant corner of the empire. Rebels take over the salt mine, his family manages to slay the only relative who ever supported Yanko. On the heels of the tragedy, a courier brings a message from the Great Chief's son. Whether he is prepared or not, Yanko must undertake a quest one that could save millions of lives or fail utterly, leaving him dead, his family forgotten, and his people the victims of starvation and endless war. **Warrior Mage** is the first novel in the now complete Chains of Honor epic fantasy series.

Chains of Honor: The Complete Series (Books 1-4) Lindsay Buroker, 2023-10-13 After failing the test to gain entrance to the nation's prestigious wizarding school, Yanko Whitefox worries he'll never be able to regain his family's lost honor. Then war breaks out, his home is targeted, and survival becomes more of a concern than accolades. With his family scattered, Yanko's only allies are a politically incorrect parrot, a sarcastic sculptor, and a gifted warrior who may be an enemy spy. Determined to stop the war and bring peace to his nation, Yanko must undertake a quest that will put his fledgling power to the ultimate test. If he fails, he'll lose much more than honor. For fans of underdogs, humor, and heroic fantasy, this bundle includes three prequel novellas and all four novels in the Chains of Honor series.

Beginnings: five heroic fantasy adventure novels
Lindsay Buroker, 2017-02-28 When her island home is invaded by enemy soldiers, her family captured, and the town enslaved, Taylina must find a way to fight back and free her people. But their enemies have powerful warships, sorcerers, and dragons. Her simple people are no match. Her only hope is to venture onto the forbidden half of the island and seek the one individual powerful enough to battle their enemies, a dragon known for eating humans rather than helping them. Find out what happens to Taylina and meet the dragon who thinks he's a god in **Dragon Rider**, a prequel to Lindsay's USA Today bestselling **Dragon Blood** series. In addition to **Dragon Rider**, **Beginnings** features four previously published fantasy adventure novels, all with new introductions from the author. **Encrypted**, **The Emperor's Edge**, **Balanced on the Blade's Edge**, **Warrior Mage**.

Only after his selection does he learn that he'll be expected to kill his opponent before
