Was Jesus The First Feminist Or How To Fabricate History:

Christ: The Dark Years Historical Edition Brian Diederich, 2010-02-05 Christ The Dark Years is a descriptive narrative that combines historical findings and legend to chronicle the life Jesus lived during the years that are not included in the bible. Lead on journeys of philosophical and psychological self discovery by the Three Wise Men and women in his life. Jesus struggles with his own humanity and the ideas of early Religious Sects. His major struggle was the method by which he would convert the world to Monotheism. He is influenced by the people he meets on his travels through Africa, Babylon, India, and Asia. In fact, he works to fight Sexism, Social Justice, and the Secret Societies that would one day exploit the Religion that he founded. *Origins and Method--Towards a New Understanding of Judaism and Christianity* Bradley H. McLean, 1993-09-01 This collection of essays is presented in honour of John C Hurd on the occasion of his retirement as Professor of New Testament at Trinity College Toronto and in recognition of a distinguished career in the fields of Pauline studies and computing in the humanities. Given Professor Hurd's interest in Christian origins and methodology, it is appropriate that the contributors to this volume deal with the origin and development of various aspects of Judaism and Christianity. In particular, they highlight how a greater attentiveness to method has resulted in a reshaping of our understanding of Christianity or Judaism. The volume is divided into three parts: New Understandings of Paul, New Understandings of the New Testament, and New Understandings of the Relationship between Judaism and Christianity. Contributors include Walter Aufrecht, Karl Donfried, Robert Grant, John Kloppenborg, Gerd Ludemann, and Wayne McCready. *Black-woman-Jew* Arthur Roy Eckardt, 1989 Analyzes from a Christian theological point of view the struggle for liberation of three groups repressed in American society, each in different ways. Ch 13 pp 111-122 Again Double Jeopardy: Sexism and Antisemitism discusses the problems of the Jewish woman in Orthodox Jewish society and in the feminist movement where there are voices stigmatizing Judaism as the source of patriarchy. Pt 5 pp 125-177 Jewish Liberation describes universal characteristics of antisemitism and traces in the Jewish view of history the memory and the hope of liberation and empowerment. Examines also the theological significance of the Holocaust and present day anti Zionism as a form of antisemitism. States that antisemitism is a greater problem for Christianity than sexism or racism because it is part of its theological substance. *How to Build the Church of the Future* Inclusive Church, Ruth Wilde, 2023-09-30 Whilst things have arguably moved on in the last decade, the church continues to discriminate against people on the grounds of disability, economic power, ethnicity, gender, gender identity, learning disability, mental health, neurodiversity, or sexuality. Drawing from ten years of lectures and essays from leading figures associated with the movement, such as Loretta Minghella, Anthony Reddie, and Michael Jaggessar, this book marks the 20th anniversary of the Inclusive Church network. Together, the essays offer a unique and inspiring account of what an inclusive church is, why it matters, and where it is going. *The Truth Shall Make You Free* Gustavo Guti rrez, 1990 Building on his classic *A Theology of Liberation*, the world's preeminent liberation theologian addresses some of the challenges that

have been raised against this new way of doing theology and charts its prospects for the future *The Truth Shall Make You Free* brings to the forefront liberation theology's answers to its critics refining the terms of discussion and opening the way for further dialogue moving the discussion and debate to the next higher plane *The Challenge of Liberation Theology* Brian Mahan, L.
