

A circular collage of various landscape and nature scenes. The central part features a circular frame with a wooden border, containing a scene of a river flowing through a lush green forest. Surrounding this central frame are several other scenes: a dense green forest, a river with a bridge, a sunset or sunrise over a body of water, a group of people on horseback, and a landscape with a large white structure, possibly a lighthouse or a building. The collage is set against a light blue background.
