Woe Unto You Lawyers:

Barnes' Notes on the NT (Barnes) Albert Barnes, Verse by verse the author covers the entire New Testament carefully and understandably explaining every verse and offering a practical application for Christian living *Woe Unto You, Lawyers!* Fred Rodell,1980 **Woe Unto You, Lawyers!** Fred Rodell,2013 **A Harmony of the Four Gospels in English, According to the Authorized Version, Corrected by the Best Critical Editions of the Original** ,1871 *The Gospel* Jongwoo Han,2016-07-15 This book merges and harmonizes the four Gospels of Matthew Mark Luke and John into one This unified version which I call The Gospel is based on the faith that the four different gospels exist in order to form together the complete story of Jesus life and ministry I consolidated these sources by identifying common denominators among them as well as parts that are unique to each and then interweaving it all into a single narrative using only original texts This integrated version may offer greater incentive to our youth laymen and non believers as well as professionals to read and learn more about what Jesus did and taught Acts 1 1 In the past there have been many attempts to make the four Gospels easier for readers often displaying similar episodes in parallel columns in an effort to resolve the Gospels narrative complexity by harmonizing them in one way or another however in regard to the text itself previous books do not rise to the level of precision and completeness that is achieved here Answering this need for a clear chronological telling of The Story of Jesus this book unifies every account of the four Gospels into a single story without omitting or compromising any part On a given topic in Jesus ministry this book uses as its base whichever gospel is the greatest common denominator consolidates identical or similar parts from other Gospels and integrates the unique and different elements of each book into a single story

Simplified Gospel harmony, by D. Griffiths David Griffiths (of Birmingham),1857 *The Gospel of Luke* Joel B. Green,1997-10-02 This highly original commentary part of the New International Commentary is unique for the way it combines concerns with first century culture in the Roman world with understanding the text of Luke as a wholistic historical narrative *Simplified Gospel Harmony. The four inspired narratives of Our Lord's life and ministry; in the columnar structure and in the words of the Authorized version ... Arranged ... on a new and improved plan. By D. Griffiths* ,1857
