Integrating Young Adult Literature through the Common Core Standards Rachel L. Wadham, Jon W. Ostenson, 2013-01-07 This book advocates for a stronger role for young adult literature in ELA classrooms compellingly documenting how this body of work meets both the needs of adolescent students and the demands of the common core for complex texts and tasks. Integrating Young Adult Literature through the Common Core Standards provides a compelling template for teachers that uses young adult literature and inquiry learning to meet students' needs and the demands of the common core standards. The first part of the book addresses the widely adopted common core state standards by examining closely the standards model of text complexity and demonstrating how young adult literature can fill the requirements of this model. The second part provides theoretical discussions and analysis of the standards as well as concrete applications of young adult literature within the classroom in order to give school professionals a comprehensive understanding of how young adult literature and the standards can work together. The book empowers schools and teachers to make intelligent, informed decisions about texts and instructional practices that benefit their students. Finally, the authors explore a powerful teaching approach that integrates current understandings about learning young adult literature and the common core standards in a way that will facilitate greater learning and understanding in English classrooms.

Gary Paulsen Mary Ellen Snodgrass, 2018-08-14 McFarland Companions to Young Adult Literature American novelist Gary Paulsen is best known for his young adult fiction including bestsellers *Nightjohn*, *Soldier's Heart*, and *Woods Runner*. From his trenchant prose in *The Rifle* and *The Foxman* to the witty escapades of *Harris and Me* and *Zero to Sixty*, Paulsen crafts stories with impressive range. The tender scenes in *The Quilt* and *A Christmas Sonata* speak to his empathy for children with characters who endure the same hardships that marred his own early life. This literary companion introduces readers to his life and work. A to Z entries explore themes such as alcoholism, coming of age, slavery, survival, and war. A glossary defines terms unique to his work. Appendices provide related historical references, writing art, and research topics.
