Word Versus Deed Resetting The Scales To A Biblical Balance:

Word Versus Deed Duane Litfin, 2012 A timely call to pursue a much needed balance between preaching the gospel and living it out *Word versus Deed* Duane Litfin, 2012-04-30 The Bible teaches that the church is called to a balanced ministry of both preaching the gospel in words and showing it with deeds Yet the church has often found it difficult to find and maintain this balance Today some are emphasizing deeds at the expense of words while others hold fast to talking and forsake the doing This is an imbalance that must be righted Standing at the helm of a leading Christian college Duane Litfin has had a first hand look at the issues students and alumni are talking about Many Christians are excited to debate the importance of social justice and evangelism now more than ever before Seeking to level the balance Litfin steers the conversation toward the biblical harmony of word and deed pointing out the church's tendency to overcorrect either cutting out the preaching of the gospel or forgetting the application of action An elder statesman in the church Litfin's training in communication theory and in detailed exegesis is brought to bear on this important subject bringing verbal proclamation in sync with the witness of one's actions *Evangelism and Social Concern in the Theology of Carl F. H. Henry* Jerry M. Ireland, 2015-06-01 How do evangelism and social concern relate to one another in the mission of the church How should the Old Testament's emphasis on social justice inform the praxis of modern believers Does the Bible emphasize individual salvation or does it teach a broader more inclusive concept Theologians missiologists pastors and educators have wrestled with these questions for centuries But especially since the early part of the twentieth century this debate has increasingly become a point of contention among evangelical Christians with few indications that a consensus may soon be forthcoming Yet few have offered so thorough an answer to these questions as has Carl F H Henry Henry's regenerative model of evangelism and social concern stands on the shoulders of Augustine and many others and offers what may be the best way forward This book explores Henry's thoughts on this subject and sets him in dialogue with numerous others who have written on these topics Thus it will prove a valuable resource for all interested in this topic *Tangible* Christopher Sicks, 2014-02-27 In today's church there seems to be two well intentioned groups Deed people feed the hungry and help the poor while Word people proclaim the gospel and engage in apologetics The two often seem to compete with one another but God always intended them to be partners Sacrificial love can grab the attention of those we serve opening their ears and minds to the words we share In *Tangible* author and Pastor Chris Sicks explains how God's people can effectively introduce hurting people to God through intentional acts of kindness This book does more than discuss these good ideas It's full of ways to make God known to the needy in your community today Extra features include A thorough resource section Ministry examples Discussion questions for personal study or group discussion By sharing both words of truth and deeds of mercy God's people will reflect Christ's love the most tangible proof of God's existence **You Will Be My Witnesses** Brian A.
