LL. counteract the temporal death of the body however much it may counteract the second or eternal death to which the soul would have else been liable It does not pour the elixir of immortality into the material frame however much it may strengthen and prepare the imperishable Spirit for its immortal wellbeing Still after Christ has taken up His abode within us and hath made a temple of our body it is a temple that is to be destroyed There remaineth a virus in the fabric that sooner or later will work its dissolution and as the law of temporal death is still unrepealed even in the case of those whom Christ hath redeemed from the curse of the law and as in harmony with this palpable fact there is still the doctrine that sin lurks and lingers in the moral system even after the renovation which this Spirit hath given to it this suggests a very important analogy from the further prosecution of which we may perhaps gather not a useless speculation but a substantial and a practical benefit About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Select Works of Thomas Chalmers, D.D. of human beings fully understood then would it cease to be a paradox why there should either be a steady progress of wretchedness in our land in the midst of its charitable institutions or a steady progress of profligacy in the midst of its churches and Sabbath schools and manifold reclaiming societies About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Works of Thomas Chalmers, D. D., Minister of the Tron Church, Glasgow, Vol. 2 (Classic Reprint) Thomas Chalmers, 2017-03-06 Excerpt from The Works of Thomas Chalmers D D Minister of the Tron Church Glasgow Vol 2 Some theologians have exacted from an inquirer at the very outset of his conversion that he should carry in his heart what they call the disinterested love of God They have set him on the most painful efforts to acquire this affection and that too before he was in circumstances in which it was at all possible to entertain it They have led him to view with suspicion the love of gratitude as having in it a taint of selfishness They are for having him to love God and that on the single ground that he is lovely without any reference to his own comfort or even to his own safety Strange demand which they make on a sentient being that even amidst the fears and the images of destruction he should find room in his heart for the love of complacency And equally strange demand to make on a sinful being that ere he admit such a sense of reconciliation into his bosom as will instantly call forth a grateful regard to him who has conferred it he must view God with a disinterested affection that from the deep and helpless abyss of his depravity he must find unaided his ascending way to the purest and the sublimest emotion of moral nature that ere he is delivered from fear he must love even though it be said of love that it casteth out fear and that ere he is placed on the vantage ground of the peace of the Gospel he must realize on his character one of the most exalted of its perfections About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com
