Toward A Global Civil Society International Political Currents:

Toward a Global Civil Society Michael Walzer, 1995 Comprises 26 essays dealing with civil society and social justice in the context of the internationalization of economies and politics Considers civil society a key to democratic stability and a counterweight to totalitarianism and authoritarian government Questions the role of the nation State and looks at the possibility of a renewal of democratic socialism

Towards a Global Civil Society Michael Walzer, 1995 Paradoxes of Civil Society Frank Trentmann, 2000-01-01 Civil Society has been experiencing a global renaissance among social movements and political thinkers during the last two decades This collection of original papers by junior and senior scholars offers an important comparative historical dimension to the debate by examining the historical roots of civil society in Germany and Britain from the seventeenth century revolutions to the beginning of the welfare state

Changing Heritage Francesco Bandarin, 2024-04-09 Changing Heritage presents the most comprehensive analysis of heritage issues available today Critically analysing the complexity of the current and forthcoming issues faced by heritage it presents insightful directions for the future Drawing on the author s many years of experience working in senior positions at UNESCO the book presents discussions of heritage sites all around the world Today our cultural and natural legacies face significant threats due to social and economic developments political pressures and unresolved historical issues This book delves into these threats from two distinct perspectives internal tensions and external pressures The internal tensions include the disregard for human rights and gender equality the increasing exploitation of heritage for political purposes the development of post colonial perspectives and the necessity to reassess the established notion of universal value External pressures stem from global processes unsustainable tourism political conflicts ethnic clashes and religious strife that are causing destruction in numerous parts of the world Examining the dynamics between heritage and these internal tensions and external pressures Bandarin offers insights into the challenges faced and emphasises the imperative role of civil society in safeguarding the value of heritage for present and future generations Changing Heritage explores a wide range of issues surrounding the crisis in heritage management on an international level It will be essential reading for heritage scholars students and professionals

Transformation Processes in the Yugoslav Successor States Between Marginalization and European Integration Henriette Riegler, 2000 Die jugoslawischen Nachfolgestaaten sind nicht nur die Erben eines durch ethnischen Nationalismus und Gewalt zerstorten Staates sondern gleichzeitig auch die Verwalter eines auf Einparteiherrschaft und sozialistischer Wirtschaft fuaenden Systems Vergleicht man die jugoslawischen Nachfolgestaaten mit anderen ost und sudosteuropaischen Staaten haben sie deshalb eine doppelte Burde zu tragen Besonders schwierig war der Transformationsprozea fur diejenigen Nachfolgestaaten deren Territorium zum Kriegsschauplatz wurde Notwendige Reformen wurden in diesen Fallen der Verteidigung der staatlichen Souveranitat untergeordnet und dadurch behindert und verzogert Auaer den enormen materiellen und immateriellen Kosten der Kriege im ehemaligen Jugoslawien erforderte der

mit dem Staatszerfall einhergehende Verlust gemeinsamer Strukturen auch die politische und wirtschaftliche Neuorientierung Der Band beleuchtet die politischen und ökonomischen Probleme des Transformationsprozesses Es zeigt sich Auf dem muhevollen Weg der Reformen sind diejenigen Staaten am weitesten vorangekommen denen neben der Aufrechterhaltung ihrer Souveränität auch die innerstaatliche Demokratisierung gelungen ist **International Labour Documentation** International Labour Office. Central Library and Documentation Bureau, 1995 *The Oxford Handbook of Global Studies* Mark Juergensmeyer, Manfred B. Steger, Saskia Sassen, 2018-11-07 The Oxford Handbook of Global Studies provides an overview of the emerging field of global studies Since the end of the Cold War globalization has been reshaping the modern world and an array of new scholarship has risen to make sense of it in its various transnational manifestations including economic social cultural ideological technological environmental and in new communications Towards Global Justice: Sovereignty in an Interdependent World Simona Țuțuianu, 2012-10-28 With Forewords by Geoffrey Robertson QC Doughty Street Chambers London UK and Professor Mihail E Ionescu Bucharest Romania Simona Țuțuianu describes a new model of sovereignty which is fast replacing the traditional Westphalian model embodied in Article 2 of the UN Charter and rigorously followed throughout the Cold War The scholarly basis for this new model draws upon developments in international criminal law which first emerged from the Nuremberg trials and upon more recent interstate economic cooperation which has turned sovereign independence into interdependence across a range of state functions Does this mean that traditional Westphalian concepts of sovereignty should be abandoned in constructing a new theory of world governance for the twenty first century Not at all A new model which can be called the pattern of interdependence based sovereignty serves to explain contemporary events that puzzle traditional theorists such as the war over Kosovo the invasions of Iraq and Libya the emergence of a Responsibility to protect doctrine and its recent validation in Security Council Resolutions 1970 and 1973 We are witnessing the emergence of a new philosophy of action which is in the process of producing a 21st century system of international relations The Book will appeal to academics students and postgraduates studying international affairs politics international law diplomatic history or war and or peace studies It is particularly of interest for NATO establishments and national military schools while experts and scholars will value its theory of what sovereignty means today The Book offers a multidisciplinary approach which underpins a new theory of how human rights can be better protected in a better world There is a unique case study of cooperative security in the Greater Black Sea Area by one of the few experts on the politics of this region It will be read and appreciated by those who need to understand how modern international law and diplomacy really work Journalists media commentators human rights NGOs aid agencies diplomats and government officials need the information in this Book **2018 Global food policy report** International Food Policy Research Institute (IFPRI), 2018-03-20 IFPRI's flagship report reviews the major food policy issues developments and decisions of 2017 and highlights challenges and opportunities for 2018 at the global and regional levels This year's report looks at the impacts of

greater global integration including the movement of goods investment people and knowledge and the threat of current antiglobalization pressures Drawing on recent research IFPRI researchers and other distinguished food policy experts consider a range of timely topics How can the global food system deliver food security for all in the face of the radical changes taking place today What is the role of trade in improving food security nutrition and sustainability How can international investment best contribute to local food security and better food systems in developing countries Do voluntary and involuntary migration increase or decrease food security in source countries and host countries What opportunities does greater data availability open up for improving agriculture and food security How does reform of developed country farm support policies affect global food security How can global governance structures better address problems of food security and nutrition What major trends and events affected food security and nutrition across the globe in 2017 The 2018 Global Food Policy Report also presents data tables and visualizations for several key food policy indicators including country level data on hunger agricultural spending and research investment and projections for future agricultural production and consumption In addition to illustrative figures tables and a timeline of food policy events in 2017 the report includes the results of a global opinion poll on globalization and the current state of food policy Global Civil Society Movements ,2008
