Toward A Growing Marriage Building The Love Relationship Of Your Dreams:

Toward a Growing Marriage Gary Chapman, 1996 Take a fresh look at your marriage through the lens of this valuable book Learn how to communicate how to rekindle love how to avoid financial bondage If you re single learn how to avoid the problems many marriages develop Toward a Growing Marriage Gary D. Chapman, 1979 Marital Bliss My wife is a nag My husband thinks I m his slave We just don t love each other anymore Common phrases in an all too common world of marital failure We hear them everyday from our co workers our friends and even ourselves The separation and divorce rate among Christian couples continues to rise while thousands of other Christian couples continue to live together in something far less than the abundant life that Jesus promised Is your marriage turning out differently than you expected Are all of today s alarming statistics making you wary of ever getting married Well you are not alone In Toward a Growing Marriage Dr Chapman offers the hope you ve been looking for The author of the best selling book The Five Love Languages will help you get your marriage off to a good start or back on the right track with advice that is both biblical and practical Part of the problem according to Dr Chapman is that too many times our churches have focused on the negative biblical directives when teaching about marriage We need to know more than to not marry a non believer and to save sex for marriage We need to know how to succeed Toward a Growing Marriage is divided into two sections in order to help two different audiences succeed those who are in the process of finding a spouse who will be a fitting or suitable marriage partner those who have already said I do and are trying to fulfill that commitment Marital happiness is not automatic but the practical application of Dr Chapman s helpful information will put couples well on their way to successful and fulfilling marriages Barnes Noble
