Out of the Clear Blue Robert Dawson,2024-08-26 Eli Judd a junior pilot for NorAk Airlines finds himself in a precarious situation when his single engine airplane crashes into the thick woods of the Alaskan interior While waiting for rescue a mysterious creature appears from the dark woods and forges a close bond with him while providing the food he desperately needs for survival In the meantime fellow pilot Alison Brantley discovers her love for Eli and is pivotal in his rescue Eli who was once running from God recognizes God s hand in his miraculous survival and rescue forever changing the course of his future *Entrepreneurship, Innovation and Sustainability* Marcus Wagner,2017-09-08 This book addresses the intersection of entrepreneurship innovation and sustainability EIS presenting high quality research illuminating the relationship between the three fields The EIS nexus is particularly relevant from a European point of view given the focus of the European Commission on corporate social responsibility CSR and sustainability as well as their prominent role within the European Union in general Also the rapid economic growth witnessed especially in the BRIC countries in recent years requires that firms reconcile sustainability aspects with profitability and innovation and entrepreneurs are seen as key diffusers of these aims Sustainability requires both radical and incremental innovation at many different levels technology product process system In many cases such innovations come from small and medium sized enterprises and so the role of the entrepreneur is key to their success The book is split into six sections The first section examines the nexus in detail focusing on system oriented connectivity between sustainability innovation and entrepreneurship The second section looks at how to nurture

corporate entrepreneurship for sustainability and the third considers mature industries such as automotives chemicals and electronics and how sustainability aspects can be integrated into innovation process and strategy The fourth section examines the nexus through the lens of developing countries in Africa Sustainable entrepreneurship is identified as a hugely beneficial way to foster development The fifth section of the book concentrates on SMEs and finally the EIS nexus is approached from a network perspective and focuses on inter organisational partnerships which are often an important facilitator or spark for EIS initiatives This book will prove to be essential for researchers in the EIS nexus and be of invaluable help to practitioners governments and inter governmental bodies attempting to encourage sustainable entrepreneurship and innovation
