Zero Carbon Car Brian Long, 2013-03-01 The Zero Carbon Car examines the hundreds of ways in which car manufacturers are trying to reduce our carbon footprint and the adaptation of the automotive industry to changing technology in a world where environmental issues are becoming ever more prevalent. The book's in-depth research into green car technology shows that manufacturers make concerted efforts but sometimes also defeat the gains of their innovation. Topics covered include: What is meant by the terms global warming and green and how these can be defined; An account of the long history of green automotive technology; Alternative fuels including diesel and hydrogen; Developments in environmentally friendly engine technology; Electric cars; Environmental issues in material usage and car body manufacture. A wide-ranging survey of the hundreds of ways in which car manufacturers are trying to reduce our carbon footprint. Written in an easy-to-understand manner, the book enables the reader to fully understand what is meant by global warming. Examines alternative fuels, material usage, and the motive power options available to us. Superbly illustrated with 350 colour photographs. Brian Long is a professional writer and motoring historian with over sixty books to his credit.

China Automotive Low Carbon Action Plan (2022) Automotive Data of China Co., Ltd, 2023-03-07 This book studies the low carbon transformation path of the automotive industry. It makes a quantitative analysis of the emission reduction potential of the transformation path based on the systemic accounting of the carbon emissions in the whole life cycle of automobiles. The content puts forward scientific and reasonable suggestions on Chinese automobiles' low carbon development strategy and transformation path. This book is used as a reference for professionals in the automotive industry who are engaged in automotive life cycle assessment, carbon footprint research, carbon neutrality planning research, etc. It is also used as a reference book for students in automotive in universities.
