A. Torrey, 2017-02-06 Excerpt from The Person and Work of the Holy Spirit as Revealed in the Scriptures and in Personal Experience It is of the highest importance from the standpoint of worship that we decide whether the Holy Spirit is a Divine Person worthy to receive our adoration our faith our love and our entire surrender to Himself or whether it is simply an influence emanating from God or a power or an illumination that God imparts to us If the Holy Spirit is a person and a Divine Person and we do not know Him as such then we are robbing a Divine Being of the worship and the faith and the love and the surrender to Himself which are His due About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works The Holy Spirit of God (Classic Reprint) W. H. Griffith Thomas, 2015-07-05 Excerpt from The Holy Spirit of God The prominence and emphasis given in the New Testament to the Holy Spirit are at once the cause and the Vindication of these utterances and we may

legitimately argue that the importance of the subject can be rightly measured by the place given to it Other doctrines of great importance as for example those of the Church and the Sacraments do not obtain anything like the notice given in the New Testament to the Holy Spirit No one can fail to be impressed with the frequency variety fulness and prominence of the references to the Spirit all through the New Testament Scriptures Instead of stopping with the Resurrection the New Testament leads on to the subject of the Holy Spirit and His work About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The Gifts of the Holy Spirit* Carlo Maria Martini, Dom Gueranger, 1998 Both the influential Cardinal of Milan and the great Benedictine liturgist of the 19th century explore the working of the Holy Spirit in our lives through the traditionally enumerated seven gifts
