Rift Cait West, 2024-04-30 A powerful meditation on what it means to be trapped and what it takes to break free Publishers Weekly STARRED Review A gripping memoir about coming of age in the stay at home daughter movement and the quest to piece together a future on your own terms Raised in the Christian patriarchy movement Cait West was homeschooled and could only wear clothes her father deemed modest She was five years old the first time she was told her swimsuit was too revealing to go change There would be no college in her future no career She was a stay at home daughter and would move out only when her father allowed her to become a wife She was trained to serve men and her life would never be her own Until she escaped In Rift Cait West tells a harrowing story of chaos and control hidden beneath the facade of a happy family Weaving together lyrical meditations on the geology of the places her family lived with her story of spiritual and emotional manipulation as a stay at home daughter

Cait creates a stirring portrait of one young woman's growing awareness that she is experiencing abuse. With the ground shifting beneath her feet, Cait mustered the courage to break free from all she'd ever known and choose a future of her own making. *Rift* is a story of survival. It's also a story about what happens after you survive. With compassion and clarity, Cait explores the complex legacy of patriarchal religious trauma in her life, including the ways she has also been complicit in systems of oppression. A remarkable literary debut, *Rift* offers an essential personal perspective on the fraught legacy of purity culture and recent reckonings with abuse in Christian communities. **A Year of Favor** Julia MacDonnell, 1994

Once in Libertad, the nation's capital, Lizzie quickly finds her loyalties divided. She is seduced by General Rivas Valdez, the minister of defense for the ruling junta and the U.S. State Department's choice to run the country. Rivas Valdez's searing sexuality is corrupted by his desire to inflict pain on those he touches. As Lizzie uncovers the layers of lies and deceit that veil the Bellavistan landscape, she will discover the extent of his cruelty. Drum, 2003 *Obsession (Natchez Trace Park Rangers Book #2)* Patricia Bradley, 2021-02-02 Natchez Trace Ranger and historian Emma Winters hoped never to see Sam Ryker again after she broke off her engagement to him. But when shots are fired at her at a historical landmark just off the Natchez Trace, she's forced to work alongside Sam as the Natchez Trace law enforcement district ranger in the ensuing investigation. To complicate matters, Emma has acquired a delusional secret admirer who is determined to have her as his own. Sam is merely an obstruction, one which must be removed. Sam knows that he has failed Emma in the past and he doesn't intend to let her down again. Especially since her life is on the line. As the threads of the investigation cross and tangle with their own personal history, Sam and Emma have a chance to discover the truth, not only about the victim but about what went wrong in their relationship. Award-winning author Patricia Bradley will have the hairs standing up on the back of your neck with this nail-biting tale of obsession, misunderstanding, and forgiveness. The Girl with More Than One Heart Laura Geringer

Bass, 2018-04-17 There are times we all feel we need more than one heart to get through. When Briana's father dies, she imagines she has a new heart growing inside her. It speaks to her in her Dad's voice. Some of its commands are mysterious. Find Her, it says. Be Your Own. How can Briana be her own when her grieving mother needs her to take care of her demanding little brother all the time? When all her grandpa can do is tell stories instead of being the rock she needs? When her not-so-normal home life leaves no time to pursue her dream of writing for the school literary magazine? When the first blush of a new romance threatens to be nipped in the bud? Forced by the loss of her favorite parent to see all that was once familiar with new eyes, Briana draws on her own imagination, originality, and tender loving heart to discover a surprising path through the storm.
