intelligence as is tolerated east of Fifth Avenue and west of Madison He had a couple of elaborate rooms at the Lenox Club a
larger income than seemed to be good for him and no profession It follows that he was a pessimist before breakfast Besides it
s a bad thing for a man at thirty three to come to the conclusion that he has seen all the most attractive girls in the world and
that they have been vastly overrated So when a club servant with gilt buttons on his coat tails knocked at the door the
invitation to enter was not very cordial He of the buttons knocked again to take the edge off before he entered then opened
the door and unburdened himself as follows Mr Gatewood sir Mr Kerns s compliments and wishes to know if e may ave is
coffee served at your tyble sir Gatewood before the mirror gave a vicious twist to his tie inserted a pearl scarf pin and
regarded the effect with gloomy approval Say to Mr Kerns that I am flattered he replied morosely and tell Henry I want him
Enry sir Yes sir The servant left one of the sleek club valets came in softly sidling Henry Sir I ll wear a white waistcoat if you
don t object The valet laid out half a dozen Which one do you usually wear when I m away Henry Which is your favorite Sir
Pick it out and don t look injured and don t roll up your eyes I merely desire to borrow it for one day Very good sir And Henry
hereafter always help yourself to my best cigars Those I smoke may injure you I ve attempted to conceal the keys but you will
of course eventually discover them under that loose tile on the hearth Yes sir thank you sir returned the valet gravely And Henry

that pin for a day or two if it would not inconvenience you Very good sir I will unt it hup sir Gatewood put on his coat took hat
and gloves from the unabashed valet and sauntered down to the sunny breakfast room where he found Kerns inspecting a
morning paper and leisurely consuming grapefruit with a cocktail on the side Hullo observed Kerns briefly I m not on the
telephone snapped Gatewood I beg your pardon how are you dear friend I don t know how I am retorted Gatewood irritably
how the devil should a man know how he is Everything going to the bowwows as usual dear friend As usual Oh read your
paper Tommy You know well enough I m not one of those tail wagging imbeciles who wakes up in the morning singing like a
half witted lark Why should I with this taste in my mouth and the laundress using vitriol and Henry sneering at my cigars He
yawned and cast his eyes toward the ceiling Besides there s too much gilt all over this club There s too much everywhere
Half the world is stucco the rest rococo Where s that Martini I bid for Kerns undisturbed applied himself to cocoa and toasted
muffins Grapefruit and an amber tinted accessory were brought for the other and sampled without mirth However a little
later Gatewood said Well are you going to read your paper all day What you need said Kerns laying the paper aside is a job
any old kind would do dear friend I don t want to make any more money I don t want you to I mean a job where you d lose a
lot and be scared into thanking Heaven for carfare You re a nice object for the breakfast table Bridge I will be amiable
enough by noon time Yes you re endurable by noon time as a rule When you re forty you may be tolerated after five o clock

when you're fifty your wife and children might even venture to emerge from the cellar after dinner Wife I said wife replied Kerns as he calmly watched his man
