This manual was compiled in compliance with the CE marking standards and the basic construction instructions comply the requirements of the Machinery Directive (2006/42/EC) in force in the European Community. For tractors sold or used outside the European Community, local laws will prevail.

Main protections on the tractors discussed in this manual:

	ROPS/TEP	CAB
ROPS protection against overturning	YES	YES
ROPS protection against objects falling from above	NO	YES
OPS protection against penetration of objects from above	NO	NO
Protection against hazardous chemicals	CLASS 1	CLASS 2

This operation and service manual is valid for all tractors and all models. It contains photos, notes and directions both for standard and optional equipment. Therefore it can give details for parts not installed on your tractor with respect to the local laws in force and according to ordered optional equipment.

The tractor is supplied complete with safety devices according to national or international laws. For your own safety, please always use correctly each device and check them for function. If you have any doubts concerning their operation or use, do not hesitate to ask your Dealer for details.

WARNING: If the tractor is fitted with a cab that is not approved by the tractor's maker, the warranty concerning the modified functional parts (brakes and seat safety frames, electrical and hydraulic systems, etc.) ceases to be valid. Therefore it is not possible to check for compliance with local standards and with technical approvals.
