Architecture in Mexico Martin M. Checa-Artasu, 2025-06-02 Neo Gothic architecture is a global phenomenon observed in Mexico from the 1850s to the mid 20th century even with current examples In Mexico there are more than 500 buildings with some neo Gothic element new parishes and churches large temples examples of exterior decorations beautiful sacred furniture and art inside the temples funerary elements at cemeteries graves mausoleums tombs and civil buildings mansions houses schools hospitals porticoes so on This architecture in Mexico spread in two ways through architecture teaching academies but also thanks to the diffusion of bishops and priests who showed images and engravings for master builders stonemasons and other local artisans to copy Finally they built these buildings many times with the support of the parishioners Also the economic and political elites built mansions and houses in that style to show their wealth and financial and political power Something they also did in their tombs and pantheons since there are many built in that style A book on the characteristics agents and causes of the development of the neo Gothic style in Mexico is pioneering and the first of its kind It is a type of architecture extraordinarily little studied in Mexico A study of these characteristics would be of interest to a sector of the academy interested in the topics of history of architecture art studies on religion and culture in general This book covers a huge gap in knowledge about an architectural style widely spread worldwide and that is widely unknown in Mexico and Latin America and that today is already a cultural heritage to be protected disseminated and valued

Tradición Revista , 2003 **Doors of Oaxaca** Devon Fekete, 2007 Hundreds of images create a portal into the architectural style of Oaxaca where the Spanish Colonial architecture dates back to the early sixteenth century Great wooden doors studded with hand wrought iron hardware and walls of desert hued sandstone will inspire anyone in search of a Southwestern palette *Old House Interiors* , 2004-08 National architectural magazine now in its fifteenth year covering period inspired design 1700 1950 Commissioned photographs show real homes inspired by the past but livable Historical and interpretive rooms are included new construction additions and new kitchens and baths take their place along with restoration work A feature on furniture appears in every issue Product coverage is extensive Experts offer advice for homeowners and designers on finishing decorating and furnishing period homes of every era A garden feature essays

lessons can be drawn by architects and planners who are attempting to reshape our own cities and towns into more livable viable and people friendly environments *The Mexican Border Cities* Daniel D. Arreola,1994-02-01 From Matamoros to Tijuana Mexican border cities have long evoked for their neighbors to the north images of cheap tourist playgrounds and more recently industrial satellites of American industry These sensationalized and simplified perceptions fail to convey the complexity and diversity of urban form and function and of cultural personality that characterize these places The Mexican Border Cities draws on extensive field research to examine eighteen settlements along the 2 000 mile border ranging from towns of less than 10 000 people to dynamic metropolises of nearly a million The authors chronicle the cities growth and compare their urban structure analyzing them in terms of tourist districts commercial landscapes residential areas and industrial and transportation quarters Arreola and Curtis contend that despite their proximity to the United States the border cities are fundamentally Mexican places as distinguished by their cultural landscapes including town plan land use pattern and building fabric Their study richly illustrated with over 75 maps and photographs offers a provocative and insightful interpretation of the geographic anatomy and personality of these fascinating and rapidly changing communities Classic New Mexican Furniture Kingsley H. Hammett,1996 Instructional photographs and drawings show how to produce furniture with the unmistakable stamp of the classic New Mexican tradition *Comercio Exterior de México* ,1955 **A Mexican Folk Pottery Tradition** Flora S. Kaplan,1994 This full length portrait of a major style in folk pottery was originally published in Spanish by the Instituto Nacional Indigenista in 1981 Revised and enlarged the present volume covers a wider scope Kaplan discusses the nature and extent of the community formed by the potters of black on red ware describing and classifying the pottery and the raw materials used She examines the technique of pottery making by focusing on the role of learning and specialization in the transmission of style Kaplan explores the patterns of traditional pottery and looks at distribution of the ware as well as at the daily and ceremonial contexts of its use suggesting that style in material culture is a system that embodies group identity and provides a basis for group action The markings the color the sizes the shapes in short the style of this black on red pottery are an expression of a number of ancient themes and myths that have shaped the Indian view of life over a long period **Karen Brown's Mexico** Clare Brown,Karen Brown,Jane Stevenson Day,2006 The perfect book for the well heeled independent traveler Everything you need to know to plan a successful trip drive your car rent a car travel by luxury bus What to see and where to stay Mexico is a dream destination beautiful beaches archaeological treasures fascinating Colonial towns colorful markets breathtaking whale watching butterfly reserves fine golf courses outstanding museums delicious food glorious cathedrals and cosmopolitan cities Beyond all these attractions Mexico offers a dazzling variety of accommodations from elegant city hotels to thatched roof cottages on deserted beaches
