Traihison Why Weren't We the Chosen Ones Anjunette L. Washington, 2016-01-11 Serenity could be captured for miles before the bay waters matched up with the oceanfront The cost for a common man to view God s beauty and clear his mind was the sum total of nothing Standing on the shore laying one s burdens down seemed to be habitual among the Davidson men Forrester and Preston started walking doing their morning ritual reporting to the slips where Paramour was docked Before time clasped into faded memories this was something they did often thinking about Papa Noelle Hess graduated from the Mortelle Division One of the Federal Apparatus that no one really knows about She learned her duties real time fast The art of babysitting depraved souls She learned that born criminals can be categorized by two types There are the extreme organized thinkers with dark and brutal vengeance Feeling slighted in anyway will cause them to implement tactics to terminate your existence They can never be read by an ordinary mind Only specific people will suffer from misdeeds crafted by the deadly ones They move in and out undetected The select few that routinely go missing are never seen again Now the unlearned criminal story is usually short lived They kill or cripple based on being sloppy and unyielding Seldom do they get away with much They are usually the ones that talk entirely too much They stood watching and listening waiting for the night to take its proper place A partial moon casted just enough light to see the dock Chase looked into her eyes Her honest gaze never lied Sounds that only a man could hear at dark went silent Calmness took over which relaxed her She dropped her guard This was favorable for him Over time he grew to be very selective with his choices Mitchell watched closely like animals do out on a hunt Females could be very clever to a man s detriment if he s not careful His gentle ways give him leverage needed to necessitate a cozy exchange Mastery over the female s psyche awarded him mental pennants He kept a hold over this one and his outside interest Love lingered on but the need to be alone set the precedence Brenda gave up the battle and came to grips She just wasn t his final Pleasure may endure for a night but reality shows face in the morning The previous evening had two eyes but the current day has only one She walked across the floor partially wet Her mere presence relaxed him A familiar act can qualify as a grand event if accompanied by love An adulterer might jump at the sound of guilt I have no regrets about what happened between us Tell me about you He knocked Nadia off her guard She wasn t expecting his approval Thomas appeared to be wallowing in arrogance I returned to your path hoping for a purpose neither a promise nor a gift Before I shower let me first delight you by saying this I never loved her and you know that I m not going to challenge this moment by renewing our past It just isn t necessary at this point **Chablis** Gentile One, 2021-05-11

Calmness The smell of the ocean encourages one to have a peaceful state of mind The cadets were exchanging stories about all the single and handsome Mortelle Agents especially the ones that peaked their interest Fawn laid comfortably on a beach towel stretched out across white sand far away from her friends She was not up to adult chatter especially about men that were training them She brought books to read that had nothing to do with crime or anything else that required her to think

She left all electronics inside her duffle bag in the hotel room The surrounding air was crisp and fresh Fawn was envisioning herself running along the shore line And possibly hunting for seashells to put inside her small aquarium that she was currently working on I am curious as to how you apprehended Shelly Wilkinson The lady was more than dangerous Battle nodded Fawn have you ever dated a man seriously She nodded Than you should understand what a man will do to gain your favor I became the type of man that she wanted I acted the part of a long term man for thirty days and then I took it all back Fawn frowned You were sexually involved with a mass murderer for thirty days And then you walked away from her Battle smirked I would have been terrified No I would not say all of that Real terror can never cripple you Fawn But what can is the constant anticipation of it Dismiss An internal audit of all cases that were still open placed a frown on the Chief Director Lawrence Reeds face He oversaw the Mortelle Division and expected more from his agents He quickly made some changes Director Blanche Kayfus had been replaced Senior Supervisory Agent Melvin Madoff was offered her position first but he declined The position was then offered to Director Jordon Fowler Madoff was a born field agent and nothing could replace that for him Most importantly he did not like bureaucratic bull shit Compromise Precious I would like to start off by saying the black boots look nice with the pretty gray skirt but it goes against our uniform policy Precious turned completely around I do not know which one of those statements insulted my ears the most Whats wrong with my boots The gray skirt is a far cry from being pretty Phillip looked down at her boots What happen to the shoes your father bought you Uncle Phillip those black shoes are ugly It s bad enough I have to wear this tacky skirt set Now I cannot wear my boots What a joke Entitled Why did you give up your man cave Scott burst out laughing Now for three very good reasons Craig First of all I m tired of smelling weed Second of all my father cut my money in half And I m saving the best for last Paying fourteen hundred monthly verses three hundred makes for a better fiscal responsible man So in a nutshell no sponsorship means no money I cannot pay bills because of trickle down economics Charms does not know about the crib so let s keep it that way shall we

The Chosen Ones Carlos John Scaletta,2001 The Chosen Ones Albertus Groeneveld (O.Carm.),1946 **The Chosen People** Charlotte Mary Yonge,2017-10-29 The Chosen People By Charlotte Mary Yonge *Chosen and Unchosen* Joel N. Lohr,2009-06-30 Winner of the 2011 RBY Scott Award from the Canadian Society of Biblical Studies Soci t canadienne des tudes bibliques The God of the Bible favors a national people Israel and this is at the cost of the other nations In fact not being Israel usually means humiliation or destruction or simply being ignored by God Reading the text with the grain or placing oneself within the chosen s perspective may seem very well until one considers the unchosen There is much regarding the unchosen that has not been explored in scholarly research but in this important work Lohr attempts to make sense of the question of election and nonelection in the OT as a Christian interpreter and with a concern for the history of interpretation and Jewish Christian dialogue He also corrects a Christian tendency to read election and nonelection as love and damnation respectively a perception that is altogether foreign to the OT itself The unchosen are important to the overall

world view of Scripture and although election entails exclusion and God's love for the one people Israel is a love in contrast to others it does not follow that the unchosen fall outside of the economy of God's purposes his workings or his ways The unchosen often face important tests of their own and have a responsibility to God and the chosen however much this idea defies modern day notions of fairness It is a central idea of Scripture that already appears in the original call of and promises made to Abram and something that if ignored places our larger understanding of God at risk Equally important if contemporary faith communities both Jewish and Christian form their understanding of the other on a faulty reading of Scripture regarding the unchosen chaos and hatred can ensue The political and religious climate of our contemporary world has never presented a more important time to get this matter right Scholars and students alike are finding Chosen and Unchosen to be an indispensable resource as they mull over these difficult questions **The Struggle With God** James T. Reuteler, Ph.d.,2012-04-01 Most of us have read Genesis and Exodus but few of us work through Leviticus Numbers and Deuteronomy When Jesus was asked to name the greatest of the Commandments he turned to Leviticus and Deuteronomy When the author of the Gospel of John wanted to illustrate the meaning of the cross he turned to Numbers These books are worth reading even if they are difficult **The New Meaning of Trahison** Rebecca West (pseud. de Cécile Fairfield.),1964
