Training Manual For Church Ushers:

Ushering with a Mission VICTOR L. DAVIS,2012-10 As we enter our church the first person we often see is the usher While many may look at the position of usher as simply a social one it can be so much more In Ushering with a Mission author Victor L Davis presents the first comprehensive guide specifically addressed to the needs of the usher The traditional approach to ushering focused on the task of meeting seating and greeting worshippers The typical training manual addressed techniques ushers should use in carrying out those duties Davis s Ushering with a Mission goes a step further and emphasizes the importance of disciplining the individual usher Ushering is viewed as a ministry rather than a committee or board activity The ministry of ushering is approached from a Christ centered biblical perspective Ushering is not something we simply do because It s our Sunday to usher We do it because it is a lifestyle resulting from the overflow of the Spirit filled life Ushering with a Mission stresses the importance of Bible study prayer and personal evangelism with nonbelievers Ushers will find fellowship with other believers in the Body of Christ as they explore ways to fulfill the great commission and commandment of our Lord and Savior Jesus Christ

The Art of Becoming Ushers and Greeters of Excellence Rick Gillespie-Mobley,2016-12-23 The goal of this book is to produce excellence in your usher and greeter ministry if your ministry is already established If you are just starting as a church this book provides teaching and instruction for ushers and greeters as well as providing insight and solutions to problems that are going to arise in the life of the church It provides examples of how different churches handle different situations so that you can choose the method which will be most effective for you This book is helpful for any usher and greeter to read so as to become more effective in the ministry God has for them Ushers and greeters are very important in the life of the church The better trained they are the better position the church will be in to grow by retaining more of the guests who visit the church

The Church Usher Robert Degraw,2010-03 In my youth I would watch the ushers at church and thought it would be neat to usher It didn t look hard and I d get to greet everyone When I got old enough I volunteered and was hooked After I was married and moved to the big city the church I attend was very large and like most churches they needed ushers I was promoted very quickly and the responsibility didn t bother me Then I was drawn to a new daughter church This was a challenge a brand new church I offered what I could When things got settled I was running one of the services When the Head ushers spot came open I didn t think I was ready so I prayed about it A calmness came over me and I knew then it was what God wanted me to do David Foos Head Usher Canyon Hills Community Church Bothell Washington

Ushering with a Mission Victor L.
