Quandary Vella Day, 2023-10-22 Join me and my best friend Millie as we are given our first official time travel job: that of finding a rogue time traveler and escorting him back to the present. The time frame: Ancient Greece, right after Aristotle opened his school called the Lyceum. I will be the first to admit that I was apprehensive about the accommodations and food back then, but neither turned out to be a problem. Other than the fact I couldn't wear my glasses since they hadn't been invented yet, it was pretty luxurious back then. Okay, we couldn't drink the water. Instead, we had wine. Oh, the hardship! The cool part of the job was that the great philosopher Aristotle said he'd help us out despite him not being told of our exact mission. As usual, things didn't go smoothly, and we ended up having to search for Aristotle, who disappeared before we could move on with our job. If you'd like to hear about our adventure, close your eyes and picture the Parthenon and all of the ancient Grecian temples. The luxury will surprise you. **Josh** Vella Day, 2019-02-05 A very reserved goddess of Fate and a water dragon go head-to-head in a battle of wills. Magnolia Faten loves the control she's honed over the years. Okay, the truth is more of a need thing, but a chance fire in her workplace changes all of that. She might not be the glass-half-full type of woman, but when some super hunky dragon shifter rushes in and saves her, she decides the fire just might have been a good thing. The water dragon has more than one secret; one he refuses to reveal to anyone. If he did, his life wouldn't be his anymore. When he carries out the beautiful Magnolia from what he thinks is certain death, he's shocked to realize she is his mate. Now what should he do? Secrets have a way of destroying even the best relationships. Then Magnolia shocks him when she reveals she's an immortal goddess. Okay, he can work with that. Too bad when he tells her what and who he is, Magnolia just disappears. To say the least, winning not only her trust but her love will be one of the biggest battles of his life. *His Rogue*
