Yes Stories Yes In Their Own Words:

Yes, Yes, Cherries: Stories Mary Otis, 2007-04-13 Quirky and hilarious yet deeply human the stories in *Yes Yes Cherries* contain an affection for human strangeness while exploring the idea that truth tends more often to lie in the extremes and along the outer edges than it does at the center of things Exploring the idea that truth lies in life s extremes the partially linked stories in *Yes Yes Cherries* follow girls and women who are outsiders and find themselves in unusual circumstances A lonely teenage girl falls in love with an older married neighbor A woman attends a party at the home of her boyfriend s ex wife A schoolteacher gets fired for teaching time incorrectly to grade school students And a young woman recovering from a breakup receives guidance from a drunk therapist Poignant and sharply rendered Otis s stories seek answers to the questions of whom we love and why how we search for love lose it or find it sometimes at the last moment and in the most unlikely places Quirky and hilarious these stories display a knowing affection for human strangeness [Yes She Can](#) ,2019-03-05

Oh Yes, Oh Yes, We are the PPS - Full-on True Stories of Preston North End's Most Fanatical Followers William Routledge, 2010-08-27 Boys lads men and women are laying into us One bloke in full motorcycle leathers crashes his helmet down onto our heads We have to retreat towards the pitch side hoardings slugging back on the move The locals look well pissed off They must have got some shitty Crimbo presents that year and with us being in their end it was the icing on the Christmas cake The turkey stuffing is well and truly knocked out of us spilling over the barriers trying to hold it together not a chance Over the years the mobs of Preston North End have fronted up to infamous football firms such as the Chelsea Headhunters the Birmingham City Zulus and the Leeds Service Crew to name just a few Although the Preston lads were often lacking in big

numbers they were always prepared to stand their ground and have a go knowing that it was quality not quantity that would count when standing toe to toe with their rivals In this brutally honest book staunch PNE fan Bill Routledge recalls the days when the dawn of Saturdays signalled a rush of adrenalin and a wave of anticipation a time for the lads to put aside the worries of the working week and experience the buzz of mayhem on the terraces He describes a time when music and fashion were vital to the identity of the firms as well as examining the history of violence at Preston North End the roots of the different factions and how they got their names Together with other faces from the PNE firms he details hair raising tales of violent clashes with other mobs as well as the fans misdemeanours on foreign soil This fascinating insight into life on the frontline is as shocking as it is exciting but it s not short on laughs either It is a truthful account of the highs and lows of being a devoted passionate football fan waiting for glory
