though it awaits his return for its culmination The book of Revelation presents an unfolding of the second theme the day of the Lord This forms the common theme in the prophets of God s final and culminating act of righteousness and justice in this age **The Journal and Messenger** ,1918 One Hundred Revival Sermons and Outlines ,1906 **The Messenger of the Sacred Heart of Jesus** ,1899 The Last Great Awakening Rustan Hicks,2020-06-01 The Last Great Awakening By Rustan Hicks The greatness of America stems from the First Great Awakening which led to America s break with England and the greatest experiment of liberty in history The Second Great Awakening led to the freedom of America s slaves throughout all U S states and territories Today the Church in America is virtually impotent and irrelevant throughout our culture Modern unbiblical paradigms need to be confronted and the way to another great awakening demonstrated This will affect the lives of every Spirit indwelt American thus releasing the infinite power of the Holy Spirit to greatly impact every aspect of our modern society returning it to its former greatness *The Kingdom of God* Nicholas Perrin,2019-02-26 What does the Bible say about God s Kingdom and what Kingdom living looks like In the last hundred and fifty years the concept of the kingdom of God has emerged as one of the most important topics in theology New Testament studies and the life of the church In *The Kingdom of God* Nicholas Perrin explores this dominant biblical metaphor one that is paradoxically the meta center and the mystery in Jesus proclamation After survey interpretations by figures from Ritschl to N T Wright Perrin examines questions such as What exactly is the kingdom of God What do different Christian traditions mean when they talk about the Kingdom How should we interpret Jesus teachings about the Kingdom What does it mean for the people of God and what does it mean for how they live in the world Perrin contends that the kingdom is inaugurated in Jesus earthly ministry but its final development awaits later events in history In between the times however the people of God are called to participate in the reign of God by living out the distinctly kingdom ethic through hope forgiveness love and prayer

Part of the Biblical Theology for Life series this practical and robust book will help you ground your understanding of the Kingdom of God on the solid foundation of biblical exegesis and reflection
