Final Acts Nan Bauer-Maglin, Donna Perry, 2009-12-07 Today most people die gradually from incremental illnesses rather than from the heart attacks or fast moving diseases that killed earlier generations Given this new reality the essays in Final Acts explore how we can make informed and caring end of life choices for ourselves and for those we love and what can happen without such planning Contributors include patients caretakers physicians journalists lawyers social workers educators hospital administrators academics psychologists and a poet and among them are ethicists religious believers and nonbelievers Some write moving personal accounts of good or bad deaths others examine the ethical social and political implications of slow dying Essays consider death from natural causes suicide and aid in dying assisted suicide Writing in a style free of technical jargon the contributors discuss documents that should be prepared health proxy do not resuscitate order living will power of attorney decision making over medical interventions life support hospice and palliative care aid in dying treatment location speaking for those who can no longer express their will and the roles played by religion custom family friends caretakers money the medical establishment and the government For those who yearn for some measure of control over death the essayists in Final Acts from very different backgrounds and with different personal and professional experiences around death and dying offer insight and hope

The Essential Yoga Sutra Geshe Michael Roach, Lama Christie McNally, 2009-02-04 The Yoga Sutra of Patanjali is a classic Sanskrit treatise consisting of 195 threads or aphorisms describing the process of liberation through yoga Although little is known about Patanjali most scholars estimate that he lived in India circa 200-300 B.C. his writings have long been recognized as a vital contribution to the philosophy and practice of yoga This new expert translation of the original Sanskrit text of Patanjali's best known work presents his seminal ideas and methods in accessible plain language English Patanjali organized the sutra into four parts Samadhi absorption Sadhana practice Vibhuti supernatural powers and Kaivalya liberation Each represents a step in breaking free of our limited definition of consciousness and training the mind to achieve oneness with the universe Geshe Michael Roach one of the most respected teachers of Tibetan Buddhism in America and a renowned scholar of Sanskrit provides authoritative commentary on each of the sutras His notes and clarification are straightforward and highly readable

untainted by obscure academic terminology or New Age jargon The first edition of the Yoga Sutra to present a Buddhist perspective this paperback original will be welcomed by students and spiritual seekers alike
