

A wide-angle photograph of a two-lane asphalt road that curves gently to the right. The road is flanked by metal guardrails. The surrounding landscape is arid, with rolling hills covered in dry, yellowish-brown vegetation. In the distance, more hills and a small town are visible under a sky filled with large, white, fluffy clouds. The overall tone is bright and open.

Knowing's story proves that almost any disadvantage can be overcome with persistence and a passion for excellence. And it teaches us how to embrace change rather than cling to the past. It is easy to lose sight of our potential in a time of economic turmoil, joblessness, and confusion. Knowing reminds us that none of those conditions is permanent and more important, that none of them excuses us from making a concerted effort at whatever we try to do. As he puts it, "You turn around organizations in most cases by turning around individuals. The real lesson of transformation is that it happens not in companies and not in offices but in lives." Knowing believes that we do not define ourselves by our upbringing or the external conditions of our lives. It's our response to those conditions that counts. It's not where you came from; it's what you do with your potential. You'll be amazed to learn where Knowing came from and how he got from a really distant there to a very inspiring here. You Can't Get There from Here David Patrick Cook, 1993 *Can't Get There from Here* Todd Strasser, 2010-05-11 Her street name is Maybe. She lives with a tribe of homeless teens, runaways, and throwaways, kids who have no place to go other than the cold city streets and no family except for one another. Abused, abandoned, and forgotten, they struggle against the cold, hunger, and constant danger. With the frigid winds of January comes a new girl, Tears, a twelve-year-old whose mother doesn't believe her. Her stepfather abuses her. As the other kids start to disappear, victims of violence, addiction, and exposure, Maybe tries to help. Tears get off the streets if it's not already too late. Todd Strasser, author of the powerful and disturbing *Give a Boy a Gun*, again focuses on an important social issue as he tells a thought-provoking, heart-wrenching story of young lives lost to the streets and of a society that has forgotten how to care. **You Can't Get There from Here** Ryan Porter, 2019-04-08 Rather than reading small-town representations in Canadian literature as portraits of a parochial past or a lost golden age, this book claims that they are best understood as sophisticated statements on the effects of modernity in an ever more cosmopolitan world. In Ontario, as urbanization increased over the past century, small towns became a popular literary trope, and Ryan Porter argues that literary small towns are reflections and even sublimated explorations of contemporary life. Referencing the theories of heritage scholars who view popularly understood pasts as constructions shaped by changing sensibilities, *You Can't Get There from Here* argues that the literary small-town Ontario past is malleable, consisting of attempts to come to terms with the present in which the narrators find themselves. The book focuses on four key Ontario authors: Stephen Leacock, Robertson Davies, Alice Munro, and Jane Urquhart, as well as many secondary authors, and links the readings to much broader trends in actual Ontario towns and in popular culture. *How To Get There From Here...The Ten Lessons That Have Served Me Well* Coleman H. Peterson, 2012 THEN AND NOW In 1971 as an undergraduate student at Loyola University of Chicago, I often sat on the steps of the Chicago Water Tower during class breaks. I watched the traffic flowing north and south along Michigan Avenue's bustling Magnificent Mile. As a kid who hailed from the housing projects on the west side of Chicago, I marveled at the late-model cars, beautifully tailored pedestrians, and the expensive boutiques that lined the street. I often wondered, How do you get there from here? In 1994, I arrived in Bentonville, Arkansas, to assume my new post as the Senior
